CLEAR

Southern California: Generally clear this afternoon, tonight and Saturday but with night and morning fog along coast and coastal valleys; slightly cooler this afternoon.

Around Town

BY THE TOWNSMAN

TAPIA PARK

Declaring that the "adventure and romance" of the area should be maintained as much as possible, Mrs. Earl Johnson today offered "Don Tapia Park" as an appropriate name for the Upland city park.

Most of the names offered, while very nice for other parts of the country, do not express the unique California flavor, Mrs. Johnson said, repeating that the early romance of the state should be retained.

The name suggested by Mrs. Johnson comes from the Don Tapia family which had this area as their rancho under a Spanish land grant. Their home was located on Red Hill, with all the rest of the property all the way to San Bernardino as their family estate.

STILL MORE

The list of people with suggestions for naming the park continues to grow today with the receipt of several more.

Robert Browning, a former member of the Upland police department and no wa resident of Etiwanda, offers "Lone Hill Park" as a means of taking "care of the future."

"Lone Hill" will possibly be a part of Upland and the park could be extended across the highway to take in Lone Hill, also the country club, Mr. Browning says.

From Dale Jamison, who lives in Ontario but is employed in Upland, comes "Monvue Park:" Lots of people want to give the park a name that will include the view of the mountains, so why not shorten and streamline it and call it "Monvue?" Mr. Jamison asks.

HOW IT STARTED

Here's the reason why the Cucamonga, Alta Loma and Etiwanda service clubs are going to get a free fish dinner at Duffy's next week.

According to our informant, Mike Pittinger, owner of Duffy's told Clarence E. Ingram that if he made a nice catch on his fishing trip he would treat all the three clubs to a free fish dinner.

Maybe Mike didn't have too much faith in Mr. Ingram's fishing ability or it might be that he's the generous type. But as it turned out Mr. Ingram of the Sierra Electric in Cucamonga not only made a big haul but brought back a huge swordfish besides. So, thanks to him, the boys from Cucamonga, Alta Loma and Etiwanda are going to get a nice, big meal all for free.

ALL SAME DAY

Mr. and Mrs. R. K. Haugh, 282 LaVine, Alta Loma, seem to have a knack for having important events happen on the same days.

Yesterday morning Mrs. Haugh gave birth to an 8 lbs., 14 oz. baby girl at the San Antonio Community hospital which in itself isn't anything very unusual. But it happened to be the birthday not only of her older daughter, Royce Jeanne, 5, but the child's grandfather, C. A. Watson, 175 South Second avenue, Upland, as well. To carry the matter even a little further, the great grandfather, the late Henry Watson, was also born on July 10.

And at last reports, the Haughs, who raise Boston bull dogs, were expecting one of them to deliver her puppies any moment.

MANY BIRTHDAYS

It looked like practically every member of the Upland Rotary club was celebrating a birthday last Wednesday. Those who made the usual contribution for being a year older included Jay Leman, Orton Brady, Spencer Smith, Harry Hixson and Neil Hickcox.

Marriage anniversaries were observed this week by Neal Van Dorin, Paul Daggs, Harry Wright and Bill Walton.

QUARTET SCORES

The "surprise" of the Rotary meeting Wednesday was the appearance of Rotary Quartet known as the "Hungry Four." (They didn't get a chance to finish their desert). The group consisted of Harry Hixson, Jack Ricci, James Goodban and Paul Daggs. Percy Jones, Claremont, scored heavily with a solo.

SAW A DISC, SHE SAID

The phone rang at Upland police headquarters this afternoon. Desk Sergeant Devon Francisco picked it up.

Mary Chesney, age 9, 868 North Fifth avenue, was the caller. "I just saw a flying disc go over the house," she said. "Mamma is gone, but I thought I ought to report it."

Then she hung up.

See Opposition To Proposed Dog Pound Here

Opposition to the establishment of a dog pound within the confines of the city yard, 145 East Eighth avenue, was seen today with the presentation of petition at the Upland city hall.

Signed by nearly 20 residents near the proposed pound site, the petition states that the dog pound would be a nuisance because of dog noises and the consequent depreciating value it would have on residential property. It asks that some other location be found.

The petition has been in circulation for over a week and is believed to include some of the same residents who protester the establishment of a woodworking shop on Ninth street several months ago.

Dinner-Dance To Install New Officers

Newly elected officers of the Cucamonga Service club will be formally installed and honored with a dinner dance at the Haldeman House, tomorrow evening at 7 o'clock.

Installation will be conducted by Will Mason, Upland, county supervisor for this district.

William Kincaid will head the club at the new president. Rudy Brumond will serve as vice-president, Robert Hutton, secretary, and Sam Patane, treasurer.

Directors for the coming year are Ralph Santolucito, Fred Owens, Ben Vizio and Frances Lucas.

According to J. R. Thrasher, retiring president, about 100 guests are expected to be present.

Play Program Sets New Record

Summer recreation activities at the Upland Elementary school for this week attracted an average of 187 children, a new record in attendance for the summer program.

During the past week, crafts classes have been making costume jewelry pieces from shells and working with lanyards.

The dramatics class displayed the results of their study this afternoon with the presentation of a program in the form of a talent show. Members of the Cub Scouts who have organized into a group for summer activities, added to the program with a style show in which they "modeled" their mothers' "most stunning clothes."

Announcement is being made of the publication of the "Upland Dash" under the direction of Mrs. LaVerne Van Antwerp. Editor is Jack Monroe, with Janice Curtemanias sales manager. The sheet will appear on Mondays.

Members of the community interested in folk dancing are invited to participate in the folk dancing classes to be conducted tonight in the Girl Scout house on North Third avenue in Upland.

The classes are to be instructed by Mrs. Arthur Relph.

Bible School Starts Monday

The Sunday school at the Los Olivos housing project, under the direction of Leslie Unruh, is sponsoring a daily Vacation Bible school to begin Monday, July 14.

Children from three to 12 years are invited to attend the classes, with a class for intermediate ages to be announced later. Classes begin at 9:15 a. m.

Teachers expected to teach are Mrs. E. J. France, coordinator; Miss Harriet Trautwein, music and recreation; Mrs. H. Lenhert, junior adviser and teacher; Mrs. Philip Mahar, primary superintendent; Misses Myrta and Marjorie Lenhert, beginners.

STAGE VETERAN

Rapidly becoming one of the "veterans" of the Foothill Music and Drama association is Elizabeth Imler, Pomona, who will be seen in the "Pirates of Penzance" next Tuesday, July 15, at the Chaffey Civic auditorium and again in Pomona July 17. Miss Imler has had leading roles in all productions of the group, including the dramatic play, "Tonight at 8:30."

WAYWARD COP

Playing the featured characterization of a wayward "cop" in the "Pirates Penzance" will be Fred Treise.

Promise "Best Musical" For Next Tuesday

With a cast of 80 people, including many who scored in the previous Foothill Music association productions, the "Pirates of Penzance" will be presented at the Chaffey civic auditorium next Tuesday at 8:15 p.m.

Every indication points to the "best musical show" ever to be presented by the association in the Chaffey district, according to S. Earle Blakeslee, general director.

Playing the leading role of Frederick, the pirate apprentice, is Robert Davis, who has had professional experience in light opera as well as other musicals. He was the leading tenor in the Hollywood production "Meet the People" and has sung the roles of "Detloff" in the "Student Prince" and has also

(Continued on Page Three)

Abelshouzens Sell Home; Plan Long Trip To Northwest

T. C. "Ted" Abelshouzen, former manager of Walker's Market here and for the past eight months, general manager of the Imperial Meat Packing Co. in Imperial, has sold his home at 314 East J street, Ontario, and will leave for a three months trip to the Pacific Northwest.

Ill-health forced his resignation in Imperial. He and Mrs. Abelshouzen plan to make a "gypsy trip," stopping wherever they like and possibly settling down somewhere in Oregon. Mr. Abelshouzen is also former president of the Inland Food Dealers' association.

Formerly owner of the accounting firm now operated by Robert Thrall, Mr. Abelshouzen plans in the future to resume similar work either in Oregon or somewhere in the Los Angeles area.

Mr. and Mrs. S. V. Hoffman, Denver, Colo., have purchased the Abelshouzen home, with the former planning to go into the feed business in Chino upon his arrival in Ontario.

Photostat To Be Purchased By Chamber

Purchase of a photostat machine to reproduce communications for the membership was authorized by the Upland chamber of commerce directors this morning at the Sugar Bowl cafe.

Manager Andrew R. Morrison, who recommended buying the machine, pointed to the importance of advising members of many local and trade activities. He said that he would rather have the equipment than spend money attending a secretary's conference at Reno.

In his report to the directors, Mr. Morrison also outlined closer cooperation between the chamber of commerce and the general membership.

Better committee organization work is also planned through establishment of rules in committee activities.

Name Committee

A nominating committee was appointed by President Ellery F. Wright to prepare a slate of candidates for the annual directors election.

The nominations are to be submitted to the members within a

(Continued on Page Three)

Chaffey Shop To Be Made Into 4 Rooms

To care for an anticipated 2500 enrollments, largest in the history of the school, four more temporary classrooms are to be created in the old shop building at Chaffey High school, Principal Ernest W. Fischer announced today.

Workers are busy at the job of converting the rooms, formerly used for shop classes, he said. Three other rooms in the building were used for academic classes last year, he said.

"Even with the new rooms, we'll still be very crowded next year," he observed.

The shop building adjoins the structure which was burned last January 13 in a fire which destroyed the school book store.

Other maintenance personnel are hard at work on the job of cleaning classrooms, polishing and waxing floors and the other tasks required to put the buildings in readiness for the fall term, he said.

247 In Chaffey Summer School

A record enrollment of 247 in the Chaffey High school summer sessions was announced today by O. E. Snyder, high school vice principal and summer director.

Classes opened Monday will continue for six weeks, he said. Last year, 183 students were enrolled in the high school courses, with 144 in junior college.

The junior college is not holding summer classes this year, he explained. However, 35 JC students are taking mathematics courses offered by the high school.

Because too few students enrolled, classes in general mathematics and business English are not being offered at the session.

All other classes on the program, including typing, algebra, plane geometry, trigonometry, U. S. history and civics, are on the agenda. College students are taking business chemistry and mathematics.

Classes are meeting daily from 8:10 a.m. until noon.

Request New Students Register At Chaffey

Students of high school age who have moved into this district since the end of the school year, and who plan to enroll at Chaffey next fall, are requested to register at an early date, Principal Ernest W. Fischer said today.

The high school office is open daily from 8:30 a.m. to 4 p.m. he said. Individual programs for all students registered for next year are now being prepared.

Parents who wish to discuss their children's school programs, are also invited to come in, he added.

NOBLE GRAND

John McCarty, Upland police officer, who will be installed as noble grand of the Upland Odd Fellows Tuesday night.

Odd Fellows To Install

Plans are being made for the installation of new officers of the Upland I.O.O.F. lodge in the local hall Tuesday night. John J. McCarty, member of the Upland police department, will become noble grand with Robert O. Collier as vice grand.

Ceremonies will be conducted by District Deputy Grand Master Barclay and his staff from Chino. Refreshments will be served after the ceremonies, which begin at 8 p.m. Mr. McCarty will

New Attorney Arrives Here

Vernon K. Patterson is now associated with Edward E. Gray, attorney, in the general practice of the law, according to announcement by Mr. Gray. Since his discharge from the naval services, Mr. Patterson has been in the legal department of the Shell Oil Co., Los Angeles, and resigned that position to come to Upland.

Mr. Patterson married a San Francisco lady and they are now residing in Whittier with their two-year old son. Just as soon as possible they desire to secure a home here. The chance of living in a town like Upland, and of engaging in general legal practice, were the factors that induced Mr. Patterson to come to Upland. He is a graduate of Macalester college, in St. Paul, and of the law college of the University of Minnesota.

Following his admission to the bar in Minnesota, Mr. Patterson was employed for a year or more on the editorial staff of the West Publishing Co., the largest legal publishing house in the United States. Following that, Mr. Patterson engaged in general practice in Rochester, Minn., for several years.

Mr. Patterson was in the naval service not quite four years, and attained the rank of lieutenant. Most of his work was acting as legal assistance officer, sationed at Alameda, where a considerable part of his time was devoted to work as defense counsel in courts martial.

Van Fleets To Play Monrovia Nine

An important ball game between two very fast clubs—Monrovia and the Van Fleets—is slated Saturday night at the Upland ball park.

The game will be a rematch. In the earlier fray, Manager Oscar Ayers' boys defeated the Monrovians, the only loss sustained by that team all season. Game time will be 8 p. m.

At ten a. m. tomorrow the Ontario American Legion club, piloted by Bob Sachs, will meet the LaVerne Legion in a hard ball contest.

Assess Fine Against Drunk Driver

A fine of $125 was levied yesterday by Judge William B. Hutton in Cucamonga justice court against Wilbur Park Brown, 37, San Bernardina, on charges of drunk driving.

Brown entered a plea of guilty to the charge. He was apprehended Wednesday morning on Foothill boulevard near the intersection of Turner avenue.

Cleavage Complete As Finland Rejects Bid To Economic Parley

BUDGET FORECAST

See Possibility of Slight Increase in City Tax Rate

Although the Upland city budget is still incomplete and the council has taken no action as yet, an increase of the $1.56 tax rate now in effect loomed as inevitable today.

Cost of operating the city has doubled and the city council is being called on periodically for additional services to its citizens. The expense of maintaining a park, which had remained undeveloped for nearly 10 years, is also expected to play an important part in determining the city tax rate for 1947-48.

What the increase is going to be still remains uncertain but individual councilmen have indicated in the past that they will make every effort to keep it "as low as possible." The city sales tax recently enacted is going to take care of some of the increased costs, with the higher assessed valuation expected to account for an additional 25 per cent.

The recent boost in outside water rates from $1.60 to $2.50 was one barometer of the additional revenue that must be raised if the city is to continue operating under present economic conditions.

Expenses Ahead

There are several projects planned for the future which will mean additional expenses for the city and more of a contribution towards meeting these expenses from the Upland taxpayer. To list but a few:

(1) Maintaining the Upland city park as well as the Euclid avenue parkway. Last year the city spent around $17,000 for parks. Estimates for the next fiscal year run to more than $27,000 and possibly as high as $30,000.

(2) Building of a sewage plant jointly with Ontario, with Upland's share of the cost expected to be between $85,000 and $90,000.

(3) Although the council has not committed itself as yet, it seems very likely that city employes will get a 10 per cent increase in salaries. Ontario virtually approved such an increase and the two cities have in the past kept up with each

(Continued on Page Three)

Local Police Aid In Arrest

Through the cooperation of Upland police, two men wanted by Los Angeles officers on an armed robbery charge are in custody in Gary, Ind., police said today.

The men are James Samuel Pierce and Garrett Holloway, both 24. Their apprehension resulted after the Los Angeles department last May, queried local police concerning their whereabouts.

Investigation here revealed that the men had departed for the Indiana city, where the arrest has been made. Both formerly resided here for a short time. Pierce, police said, is a former employee of Kaiser steel.

Postal Receipts Show Increase

Postal receipts in Upland during the first six months of 1947 totaled $27,878.36, more than $1,000 in excess of the amount recorded in the same period last year, Postmaster Orton P. Brady announced today.

The offices recorded $4,399.71 in the month of June this year, which marked a small increase over the $4,376.43 reached in June, 1946.

In every month this year, with the exception of February, postal business showed a gain, Mr. Brady said.

The total income of the office during the first half of 1946 was $26,532.74.

PLAN DRIVE

PITTSBURGH, Pa. (AP)—The CIO's political action committee says its answer to the Taft-Hartley labor law will be a vigorous campaign at the polls.

See Europe Divided Into Two Spheres

PARIS, July 11 (AP)—Finland joined all the other states in the Russian orbit tonight in rejecting invitations to the Paris economic conference, completing a cleavage between eastern and western Europe.

A Helsinki broadcast announced the Finnish cabinet's 11th hour decision and said a communique was forthcoming later. The Moscow radio said this morning the Finnish cabinet had rejected the bid, and that the decision was unanimous.

The talks on the Marshall proposal for American-backed aid in European reconstruction will open tomorrow with Britain and France as the sponsoring nations. Fourteen nations have accepted the invitation to the conference. Seven others—Yugoslavia, Poland, Romania, Hungary, Bulgaria, Albania and Czechoslovakia—have rejected it.

Soviet Pressure

Non-communists in Prague held that Czechoslovakia's 11th hour reversal of her previous acceptance dramatized the situation of the eastern European states and demonstrated that heavy pressure was applied from Moscow.. The Leftist Prague press said the withdrawal was dictated by the conviction that the talks would be aimed at the economic isolation of Russia.

The Slav states have charged that the Marshall program would impose political conditions on conditions aided, but in London today U. S. Secretary of Commerce W. Averell Harriman rejected this contention, saying "there has never been any discussion in the (U. S.) government of any political conditions."

$25,000 Home To Be Built

A building permit for a $25,444 home in San Antonio Heights was issued today from the office of the San Bernardino county building inspector to Mr. and Mrs. R. M. Hicks, Vista drive.

The house, an English cottage type, will consist of six rooms and three baths, Mrs. Hicks said. It will be built on Terrace drive.

Two permits for homes have also been issued by Building Inspector Richard Derby here.

Julius Ammannito, Los Olivos, has announced plans for a five-room, $7,000 home at 546 Fifth avenue.

Ollie Davis accepted a permit to move a dwelling to 1068 West Thirteenth street. Moving the house, plus contemplated repairs and improvements, will cost $3,500.

Dr. Lady To Speak

Dr. Jesse Lady, president of Beaulah college, has been announced as the speaker for the men's class of the Upland Methodist church Sunday morning at 9:45 o'clock. All members of the class are urged to be present.

Graveside Service To Be Held For Victims Of Train-Truck Crash

Simple graveside services for three Mexican nationals who were killed in a truck—Pacific Electric car collision will be conducted tomorrow, 10 a. m., at the Holy Cross cemetery, Pomona.

The three are Miguel Ramos Aguirre, Pedro M. Adama and Nicholas Santoyo. A Catholic priest will officiate.

HISTORY OF CLUB

Movement to Develop San Antonio Park First Started By Upland Lions

One of the first activities of the Upland Lions club was sponsorship of the movement to develop what is now San Antonio park, it was recalled at yesterday's meeting of the group. Glenn M. Alwood, one of the leaders in the formation of the club in 1924 and its first president, reviewed the club's history and read a description of the club's first major project.

Litigation to obtain the property for municipal use was successfully pushed by the club, Mr. Atwood said.

Twenty-six men were listed on the charter's roll and Mr. Atwood, who is now district governor, recalled many incidents in the early years of the organization. The speaker read the list of charter members and also the following list of men who have served as presidents: Glenn M. Atwood, A. B. Whitney, R. C. Norton, Norman Lawson, W. W. Mather, Fred E. Draper, J. Emery Sargent, Harold W. Cook, Earl H. Johnson, Floyde L. Atwood, Clyde DuVall, F. C. Rosenberger, Howard Mason, Dr. Earl L. Wenger, J. W. Mehl, Leigh Thompson, Vernon V. Paine, Everett W. Henry, William Gilliland, C. Ernest Olson and Henry M. Busch. Mr. Lawson and Glenn Atwood have served two terms as president.

Sam D. Barker, president, presided at the club's meeting in the Upland Woman's club house. Announcement was made that Mr. Atwood will serve at the "charter night" ceremonies at Beaumont Monday night and more than 30 members of the Upland club have signified their intention of attending.

This will be the ninth charter presented by Mr. Atwood during his term, which closes later this month. Lions clubs have been

About People

Mr. and Mrs. William Georgiades, 640 North Third avenue, have both accepted positions in the Whittier school system and will begin teaching classes this fall. Mrs. Georgiades, who taught the third grade at the Mountain View school this year, will teach the third grade class at the East Whittier elementary school. Having just completed a year's study at the Claremont Graduate school, Mr. Georgiades will instruct English and social science classes at Whittier high school.

Robert Arthur, 430 East Foothill boulevard, was guest of honor recently at a birthday party given him by his parents, Mr. and Mrs. Claude Arthur. Present were Jack Kesners, W. F. Deertz, Bob Williams, Will Kesners and Mrs. Ruth Johnson.

Proud grandparents are Mr. and Mrs. Harold Colbrunn, 1254 Myrtle drive, who are today announcing the birth of their first grandchild to Mrs. Homer Davis. The baby, named Allison Mildred, was born on July 4 at the Southern Permanents hospital in Fontana and Mrs. Davis is expected to return home with the baby today. The baby's father, member of the Army Air forces, is stationed in San Antonio, Tex.

Enjoying the day at he beach Tuesday were O. D. Dailey's brother and sister-in-law and their family, Mr. and Mrs. Audd Dailey and two children, Joyce and Phyllis Anne, who have been houseguests of Mr. and Mrs. O. D. Dailey since July 2. For their first sight of the Pacific ocean, the visitors were accompanied by Mrs. O. D. Dailey. They expect to visit many other southland sights during their month-long stay and have already made a trip to Mt. Wilson. They are residents of Oklahoma City, Okla.

The birthday of Mrs. L. T. Markham, 1874 San Bernardino road, was honored this week with a family gathering in the Tea Room of the South in Riverside. Members of her family in attendance at the party included Mr. and Mrs. William S. Stewart, Mr. and Mrs. Clifford Schmickrath and children, Paddy Jim and Sally Jean, of Seal Beach, and Lee Stewart of Beverly Hills.

Returning recently from a trip to the east, Dr. and Mrs. W. R. Farmer are now at home at 446 North Campus avenue. Dr. Farmer traveled by airplane to attend a class reunion at McKendree college in Lebanon, Illinois, where Mrs. Farmer, traveling by train, joined him a few days later. Together they attended the graduation events of the college and various alumni affairs before continuing their month-long trip which took them to St. Louis, Illinois and Washington, D. C., where they spent five days visiting Mt. Vernon and other points of interest. In Philadelphia they visited places of historic interest. The Farmers joined their son, Ernest, who resides in New York, for a five-day stay in that city and later traveled up the Hudson river for Albany. After spending a short time at Niagara Falls, stopping again at St. Louis and visiting at Kansas City, and the Grand Canyon, they returned home.

Guests of Mrs. Flora Hoppe, East avenue, Etiwanda, over the Fourth were her brother and sister-in-law, Mr. and Mrs. Will Hoppe of El Centro. The visitors returned to their home in El Centro on Monday. Other week end guests were Mr. and Mrs. Phil Fisher and son, Wayne, of Arcadia.

Mrs. Cleland F. Baxter, South Archibald avenue, Chino, is now enroute to Honolulu where she will meet Mr. Baxter, one of the participants in the Los Angeles-Honolulu yacht race. Mrs. Baxter was driven to the San Pedro harbor Wednesday by Mr. and Mrs. Keith Koehler, 1000 West Twenty-second street. She expects to return in about a month.

Mr. and Mrs. C. Dean Miller and son, Ronald, have returned from Grass Valley, where they enjoyed a short vacation. Going to the northern city occasionally, the local family was north during the early part of July, returning the first of this week. Mr. Miller, however, did not stay here long as business called him to Brawley where he has another Peggy Jeanne store. He is proprietor of the store by that name here.

Recently returned from a trip which included several northern states are Mr. and Mrs. M. P. Pearson and their son, M. P. Pearson, Jr., 810 Valle Vista drive, Red Hill, Cucamonga. Their tour took them through the states of Montana, South Dakota and Wyoming.

Visitors at the home of Mr. and Mrs. Tony Greco, South Hellman avenue, Cucamonga, are the former's brother and sister-in-law, Mr. and Mrs. Dominic Greco of Bridgeport, Conn. The two Greco brothers have not visited with each other for almost 40 years.

Overnight visitor yesterday at the W. A. Raymond home, 605 West street, was a friend of Mrs. Raymond's, Mrs. George Eichelberg. Mrs. Eichelberg returned to her home in Lynwood this morning

Mr. and Mrs. Herbert O. Crooks, 201 Euclid place, have returned to Upland after a trip to Beaver, Pa., where they visited Mrs. Crook's mother, who had been seriously ill, but is not much improved.

According to word received by Mrs. Warren J. Sherman, her husband, a student at Beulah college chosen to make a tour of Europe this summer with several other college students, arrived in London July 3 after sailing from New York on June 24. The group, which is under the sponsorship of the Mennonite church, planned to spend about five days in England and three in France before continuing their tour through Belgium and other European countries. Mrs. Sherman, with the couple's small son, Jesse, is holding down the home front at 412 North San Antonio avenue.

Clarence Calhoun, former science instructor at Chaffey college, has been awarded the degree of doctor of philosophy at the University of California. Mr. Calhoun left Chaffey last year to become plant pathologist with the Union Oil Company agricultural laboratory in Anaheim and his degree was awarded in plant pathology involving extensive research and resulting from two years graduate work.

While vacationing in Santa Cruz, Mr. and Mrs. Ray R. Sherstreet, were pleasantly surprised when they unexpectedly encountered Mr. and Mrs. Gordon C. Day on the street! Mr. and Mrs. Day, former residents of Upland, have made their home in Santa Cruz for several years. Mrs. Day, in ill health when she left Upland, is much improved, reported the Sherwoods, and both are "happy and prosperous." After visiting briefly at the Day home, the Sherwoods continued on their trip, which also included a 10- day stay at Meek's Bay and Lake Tahoe. They returned to Upland Wednesday evening.

(Continued on Page Four)

Joan West In Wedding

Wed last night with only close relatives in attendance were Joan Patricia West, daughter of Mr. and Mrs. George West, 1128 Myrtle drive, and William Reid Boughey, son of Mr. and Mrs. Albert Boughey, 644 East J street, Ontario.

The home of Judge and Mrs. Fred H. Jacobs, 421 North Eighth avenue, provided the setting for the nuptials. In attendance were Mr. and Mrs. West, Mr. and Mrs. Boughey, and Mr. and Mrs. Moody Ennis, brother-in-law and sister of the bride.

For the occasion, the bride chose an aqua suit, complimented with smoke grey shoes and bag. A purple-throated white orchid formed her corsage.

For a brief honeymoon, the couple left for Laguna Beach. On their return they will make their home on East Fourth street, Ontario.

Juniors Go Dressy — For this junior dress-up cotton in Lonsdale's chambray by Joan Norton Irwin, you can take your pick in grey, aqua, pink, yellow and blue. It is trimmed in bright Beauvois embroidery

Knowledge about cancer may save your life! Send name and address on a postcard to American Cancer Society, 22 Ann street, New York 1, N. Y. and receive free booklet.

B.P.W.C. Members Enjoy Picnic On Beard Lawn

The first of a series of three summer picnic meetings of the Upland Business and Professional women's club was held in the garden at the home of Mrs. William Beard, 50 Grove avenue, last night.

Seated at a long table on the lawn, with a fire burning cheerfully in the outdoor fireplace, the members and their guests enjoyed a dinner served by the committee in charge, composed of the membership chairman, Mrs. Harry Plum, and her assistants, Mrs. Clara Jacobs, Mrs. Goldy Laughlin, Miss Iva Morosic, Miss Harriet Wolfgram and the hostess, Mrs. William Beard.

Following the dinner, a short business meeting was called to order by the president, Miss Ethel Jean Wilson, after which a radio stunt was enjoyed. Mrs. Charles Hawthorne, as announcer, carried the loud speaker around seeking first-hand information from the members. A new member, Miss Iva Morosic, was introduced.

There were 39 members present and six guests, Mrs. Josephine Rhodes, Mrs. E. Sanderson, Mrs. D. C. Harter, Mrs. Sybil Hendrickson, Mrs. F. Wimmer and Miss Peggy Rice.

Allen Mountain Home Scene of Gathering

Over 70 women of the Bethel Congregational church enjoyed an all-day picnic and pot-luck dinner Tuesday at the Camp Baldy home of Mr. and Mrs. F. L. Allen.

Mrs. W. W. Waters, president of the group, was in charge of arrangements assisted by Mrs. Roy D. Newton.

Special guests were the Rev. and Mrs. Donald W. Head. Rev. Head recently accepted the pastorate of the church.

Adelle Jordan Recites Wedding Vows With George William Menzie

Mr. and Mrs. C. B. Jordan, 1475 West Fifteenth street, are today announcing the marriage of their daughter, Adelle Iola, to George William Menzie, of Iola, Kansas.

The quiet ceremony, performed in the Ontario Baptist church at noon on July 5 by the Rev. R. Merrill Jensen, pastor, was witnessed only by the bride's parents.

For the occasion, the bride chose a pale blue dress accented with white accessories. The young couple left Monday evening for Iola, Kansas, where the groom's mother resides, for a wedding trip.

The bride, a graduate of both Chaffey high school and college, served as a student body officer during her second year at the college.

Mr. Menzie attended Kansas schools and after serving in the navy almost two years, worked about one year at the ranch of Mr. and Mrs. E. T. Jordan, 808 West Ninth street, grandparents of the bride.

La Estrella Members Invite Husbands To Sunday Picnic

Husbands of members of the La Estrella auxiliary of the Eastern Star will join their wives Sunday for an outing at the home of Mrs. Elizabeth Wisely, Camp Baldy.

Each couple planning to attend are asked to bring their own table service and a covered dish.

Plan Sport Dance, Card Party-Dinner At Country Club

There'll be big doings at the Red Hill country club this month with a sport dance and a card party-dinner scheduled in addition to the usual bridge luncheon.

Reservations for the bridge luncheon on July 17 should be phoned in as soon as possible. Date for the sport dance has been set as July 25.

Which will it be?...

Larger Rent Receipts

or a fine new Towne House home?

Why be at the mercy of your landlord? With the lifting of restrictions he can give you a rent-boost that may be of staggering proportion. Or he may hand you an eviction notice which becomes operative in thirty days. Newspapers are full of such cases now. Radio commentators are reporting that wholesale eviction notices are now being filed. There's one sure way to remedy your situation—and quickly. That's the purchase of a fine new TOWNE HOUSE home in Pomona*—convenient to everywhere in Southern California.

A TOWNE HOUSE isn't just a temporary solution to the rent problem. It's a permanent solution. It will fulfill your desire for a comfortable new home for now and the future... Let's see what a TOWNE HOUSE home offers:

These Features Can Be Estimated In Dollars:

- GENEROUS SIZE GROUNDS – with no crowded effect.
- 3 BEDROOMS – (or two bedrooms and den as desired).
- COMFORTABLE SIZE LIVING ROOM – see the Model Home.
- WOOD BURNING FIREPLACE – of ample proportions.
- VENTILATION – conforms to F.H.A. requirements.
- HARDWOOD FLOORING – one-half inch selected oak.
- TILED – kitchen, bathroom with Pullman Lavatory.
- ELECTRICAL OUTLETS – plenty of them conveniently located.
- LARGE WARDROBES – with space-saving sliding doors.
- CABINET and DRAWER SPACE – ample for linens, silverware, cutlery, dishes and for storage.
- DUAL SAFETY FLOOR FURNACE – extra large size.
- DOUBLE GARAGE – 20' x 20'. Plenty of room for car, working space, or extra storage as desired.
- PLUMBING – Crane quality throughout.
- PAVED DRIVEWAYS, SIDEWALKS – from street to homes.
- BEAUTIFUL WALNUT SHADE TREES – Lawn and shrubbery planted.
- STREETS PAVED and CURBED – Sewers, water, gas, electricity and telephone lines. NO ASSESSMENTS TO PAY.

Some of many advantages you can't put a price on—

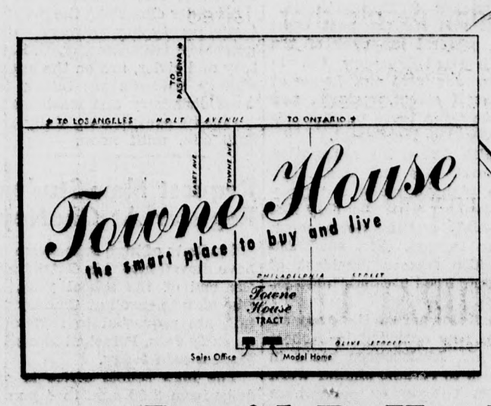

- A QUIET ATMOSPHERE IN POMONA'S IDEAL HOME COMMUNITY.
- FRIENDLY AND CONGENIAL NEIGHBORS ON EVERY HAND.
- FINE CHURCHES and SCHOOLS... CLEAN AMUSEMENTS.
- CLOSE TO EXCELLENT SHOPS, STORES and MARKETS.
- THE USE OF POMONA'S 90,000 VOLUME LIBRARY.
- GOOD TRANSPORTATION. HIGHWAYS QUICKLY CONVENIENT, FOR DRIVING TO MOUNTAINS, DESERTS, LAKES, OCEAN.
- A CERTAIN INCREASE IN YOUR HOME VALUE—*SOON.*

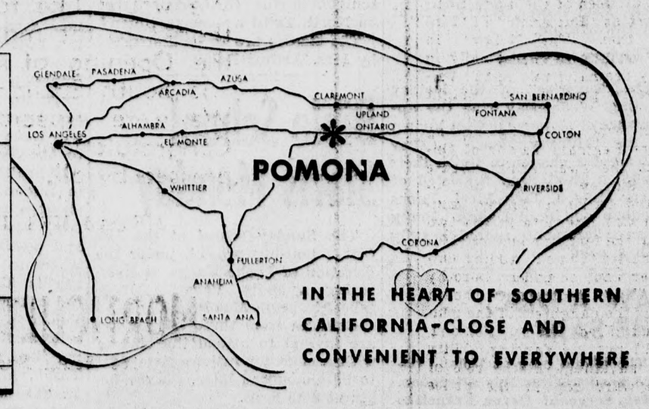

Yes, a home in TOWNE HOUSE community offers you all this and more. But you have to see a TOWNE HOUSE—you have to visit the community to understand what honest values in materials and craftsmanship are represented here. These homes are still below the allowable ceiling price.

A SUGGESTION: Drive out to TOWNE HOUSE community in the late afternoon or evening. You'll see new homes in every stage of building. You can see the quality being built into them. The Model Home is floodlighted at night.

It's Easy to Buy a Towne House Home

VETERANS or NON-VETERANS. Select your home. Make a small down payment. Pay the balance on our "Like Rent" plan. Very low monthly payments for veterans and non-veterans.

Bulgaria Accuses United States of "Intimidation" In Balkan Debate

Calls Probe By U.N. Violation Of Sovereignty

LAKE SUCCESS, July 11 (AP)—Bulgaria accused the United States today of intimidation in seeking to establish a United Nations border watch over the Balkans.

Dr. N. Mevorah, Bulgarian representative, told the security council such a commission as proposed by the United States would place Greece, Yugoslavia, Bulgaria and Albania "in a state of trusteeship which contradicts the principle of sovereignty."

He declared the proposals of the Balkan inquiry commission which held the three Soviet satellites primarily responsible for Greek border disturbances were "unnecessary and dangerous."

Referring to a statement by U. S. Chief Delegate Warren R. Austin the security council might have to resort to force if the border commission is not established, Mevorah said:

"It is evident that these intimidations, though not contained in Mr. Austin's draft resolution, but alluded to in his speech and probably implied in the first paragraph of his draft, are a sequel to an admission of our guilt and of our responsibility."

"We deny that we are guilty," he said.

City Tax Rate May Go Up

(Continued from Page One)

other in this respect.

(4) Exemptions from the city tax rolls of hospitals, churches and other charitable institutions as well as veterans are expected to take a sizeable slice from the revenue, although there is a good chance that the state may make up this deficit.

(5) Continual rise and fluctuations in material and labor costs, with the latter having doubled since before the war.

Park Cost

The demand of local citizens for a park of their own and subsequent contribution of $18,000 to get it started may be responsible for one of the largest boosts in city expenses. As one official put it, "That's one expense we've never had before."

At the present time 20 cents out of every tax dollar goes for park purposes. Under the program contemplated it may be necessary to double that amount.

Back in 1928 the Upland tax rate was $2.25 but increased valuation and economy drove it down to as low as $1.39 at one time. The $1.56 rate has been in effect for the past two years.

Good Show In Prospect Here

(Continued from Page One)

been "Prince Franz" in the Schubert touring company of the same show.

Another "star" in the show will be Johnston Walker, who was one of the standouts in the last two shows of the Foothill Music association. He is best remembered for his interpretation of the admiral in "Pinafore," and it is predicted he will do as well in his present role of the "Major General."

Tickets for the "Pirates of Penzance" may be purchased at the J. J. Atwood Co. here or at the Chaffey box office from 10 a.m. to 5 p.m. daily.

One of the standouts of all the musical and dramatic presentations given by the association has been Elizabeth Imler, mezzo-soprano, who plays "Ruth," the piratical maid, in the "Pirates of Penzance." Her past performances have all been of the highest caliber, first as "Buttercup" in "Pinafore", then "The Widow" in "Prince of Pilsen," and finally in a purely dramatic role in the Valley theatre production, "Tonight at 8:30."

Others who will sing leading roles are Reginald Taylor of Ontario as the swaggering "Pirate King;" Shirley Stewart of Pomona and Catherine Sibley, Azusa, who will alternate in the two nights in the feminine lead of "Mabel;" Charles "Chuck" Adams, Ontario, sergeant of police; Dorothy Bussy, Wyla Pontin and Thedea Smith as the daughters of the general and Fred Treise, Pomona, who will put his dancing ability to best advantage in the role of the wayward cop in the police chorus.

NEW YORK, AP—Large wild duck crops in many areas of Western Canada's nesting range have been assured, Ducks Unlimited reported.

LIAISON OFFICER

New dean of the Theological school of the University of the South, Sewanee, Tenn., the Rev. Robert F. Gibson has been the liaison officer between the Episcopal church in the United States and church in Mexico.

Truman To Make Economic Report

WASHINGTON, July 11, AP—President Truman today decided to send Congress within the next 10 days a special mid-year report on the economic outlook, including the possible effect of John L. Lewis' new coal wage gains on living costs.

Presidential Secretary Charles G. Ross said this was decided at a meeting of Mr. Truman with his cabinet. He said the concensus of the meeting was that there has been "a tendency to exaggerae the importance of the coal settlement on the overall wage picture."

"Of course, if prices should go up as a result, that would be a matter of concern," Ross added.

Ross said the cabinet felt it would "be a very useful thing to put these findings out for the benefit of Congress and the country." He added he does not know whether there will be White House recommendations for legislation in connection with the finding.

Hold Hogge For Superior Court

Mervel E. Hogge, 22, 936 East A street, Ontario, was held to answer to superior court yesterday on grand theft charges when he appeared before Judge Fred H. Jacobs in justice court here.

Hogge has confessed to the theft of an automobile belonging to P. C. Dowse, 711 Weshington boulevard. The offense took place July 2.

LIONS STARTED PARK CAMPAIGN

(Continued from Page One)

chartered by him at Fawnskin, Tri-Valley (29 Palms district), Idyllwild, Brawley, El Cajon, El Centro, Westmoreland and Lucerne Valley. The district and the international conventions will convene in San Francisco, beginning July 27.

Visitors at the meeting yesterday included James Land, Upland; Dr. Emery Johnson, Ontario, and J. Awdry Armstrong, Pete Casselman and Ralph Meyers of the Ontario Lions club.

Terminal Leave Pay Missing On GOP Agenda

WASHINGTON, July 11, AP—Measures providing for a long-range housing program and for immediate cash payment of terminal pay for veterans were omitted today from a list of legislation scheduled by Senate Republican leaders for action before adjournment of Congress July 26.

Chairman Taft (Ohio) of the Senate Republican Policy committee told reporters the GOP leaders plan to try and push the $4,000,000,000 income tax-cutting bill and a cluster of delayed appropriations bills through the senate by Tuesday.

After that, he said, 10 measures regarded as "non-controversial" will be speeded to completion. Missing from this list were bills for housing, cash terminal pay for veterans, the St. Lawrence seaway project and increasing the national hourly minimum wage scale.

But Taft, in answer to queries about these, said they may get congressional approval if it can be agreed to act "without long debate."

700 Turn Out For Store Opening

Nearly 700 people turned out for the opening of the Horticultural Center at Euclid avenue and Euclid place yesterday.

Mr. and Mrs. Edward Hansen, owners, this morning said that they were very grateful for the enthusiastic turnout. Many compliments were received from visitors on the roof design and location, they reported.

"We want to thank everyone for coming out," Mr. Hansen stated.

Free corsages with pottery bells in the center and the "Horticultural Center" across were given to the ladies attending the opening. There were visiors from Hollywood, Utah, Oakland and Texas.

Toastmasters Talk About "Flying Discs"

Ontario Toastmasters club met Wednesday evening at the Southern house with Howard Kilmurray as toastmaster of the evening.

Horton Swisher addressed members on the subject, "These Flying Discs." Harold Zenz also spoke, Discs." Harold Zenz also spoke, his topic being, "Gold In The Desert."

David Wiel gave an impromptu speech while Vernon Paine was heard on the subject, "My Old Home Town."

The feature of the evening was given by Dick Sorg. Bruce Claflin was critic of the month.

Delivery Service Established Here

Establishment of a pick up and delivery service with offices in Upland to serve Upland and Ontario residents was announced today. Harry H. Allen, Jr. has established the service to handle groceries, dry goods, meats, drugs and other commodities between stores and residents.

"In fact we will handle anything any place in Upland and Ontario," Mr. Allen said. He resides at 1402 East Ninth street.

HOT WEATHER BRIGHTEN LEMON MARKET, CLAIM

LOS ANGELES (AP)—There's a reason—or maybe three of them—why lemons are averaging about $1.25 a box higher this summer than last, the chamber of commerce's monthly agricultural report discloses.

The increase was credited to the hot weather, end of sugar rationing and a public yen for long, tall, cool ones. Although lemon prices are up, Valencia oranges were down about $2 per box, the report disclosed.

Atom Smashed By Machine

PALO ALTO, July 11, AP—A devastating smashup of the atom yielding a whole layout of strange new transmuted elements was reported today as the first formal achievement of the giant postwar cyclotron at the University of California.

This initial effort of the 4,000-ton concrete-caged mechanical monster opens the way for the production of upwards of 100 new radio-active elements for scientific research. At present there are about 450 radioactive and 275 stable forms of the conventional elements.

For the first time on record an atom was extensively smashed by a man-made machine. Heretofore atom smashing has consisted of knocking one or two bits off the nucleus. Even an atom bomb explosion divides a nucleus into not more than five parts.

Start Work On Four Homes

Building permits for four new new homes in Upland have been issued by Building Inspector Richard Derby so far this week, he announced today.

Latest to accept a permit was E. J. Broyles, 685 North First avenue. Mr. Broyles plans to build a three-room, $7500 house at 50 East G street.

W. S. Goff has taken out a residence permit. His new home, costing $6600, will be at 278 South Third avenue.

Another in the list is William G. Lux, 1225 West California boulevard, Ontario. Mr. Lux plans to build a four-room house at 869 San Antonio place. He estimates costs at $3,600.

Fourth permit went to Jesse Lady, 650 West Arrow highway. Mr. Lady's new residence will be located at 731-37 Vernon drive. A two room house of wood frame construction, it will cost $4600.

Bleacher At Park Put Into Use

A portion of the new bleachers recently purchased for the city park were used last night for the first time at the Shady Grove-I. O. O. F. game.

Sections of the new bleachers were erected in the area immediately behind the home plate. Other sections are expected to be put up along the base lines within the next few days, members of the park and recreation commission have announced.

Greeks Push Back Rebels

ATHENS, July 11 AP—The Greek general staff said in a communique today Greek troops despite stiff resistance were pushing westward 4,000 guerrillas who were attempting to seize territory near Albania.

Official informants said the guerrillas were fighting along a pitched battle line in 6,000-foot peaks of Mt. Grammos, 15 miles from the Albanian border. War Minister George Stratos said the rebel aim was to establish a communist state.

The struggle had been in progress since June 27. It is centered 22 miles southwest of Kastoria. Stratos said an international brigade of 2,500 had been spotted in the Yugoslav port of Split.

The rebels were reported offering determined resistance from behind fortified points for the first time since the Greek army offensive started April 9.

Chamber To Buy Photostat

(Continued from page One)

month. The committee includes Owen W. Davis, chairman; William Gilliland and C. Ernest Olson. An annual membership dinner meeting is planned for the new fiscal year.

In his summary of his first month's activities Mr. Morrison said he was seeking to get fully acquainted with Upland, its people and its needs and that an important activity was the conducting of a resources survey. Based on this survey, decision can be reached as to the "city's needs and possibilities," it was pointed out.

Mrs. Sam B. Rowe, chairman of a special committee, recommended that the general public be advised that Mrs. Helen Bessant, assistant chamber secretary, is a notary public and that her services are available.

Enter Float

Upland has been invited to place an entry in the Covered Wagon days celebration in San Bernardino in October. Mr. Morrison urged that a float be placed in the parade and that the city do everything possible to obtain publicity in the southland. The assignment of preparing for the San Bernardino convention will be given by Mr. Wright to one of the committees.

Directors attending this morning's meeting were Mr. Wright, Owen Davis, William Gilliland, Mrs. Paul Hottel, C. Ernest Olson, Vernon V. Paine and E. C. Rosenberger.

TESTS OF POWER

Russia Prepares Bitter Fight To Undermine Marshall Proposal

By JOHN M. HIGHTOWER

WASHINGTON, July 11, (AP)—Russia appears ready today to throw into a bitter fight against the Marshall plan for European recovery every weapon of political, economic and propaganda power at its disposal.

The division of Europe over the issue is virtually complete and a series of critical tests of relative Soviet and American strength are at hand.

That is the situation with which Secretary of State Marshall had to deal today as he prepared for the first of a series of semi-secret sessions with the Senate Foreign Relations committee in an effort to strengthen bi-partisan foreign policy support in the critical months ahead.

Concern over the situation in Europe was focused here by Czechoslovakia's decision — under direct dictation from Moscow—not to attend the Marshall plan conference opening tomorrow in Paris. Diplomatic officials placed considerable emphasis on the fact the Czechs explained that Moscow might regard their attendance as "an action against the Soviet Union."

The Prague government thus was compelled to shelve what American officials had regarded as that country's primary interest—and in economic recovery—to avoid possible reprisals from its powerful eastern neighbor.

Some authorities here called this the "crudest demonstration yet" of ruthless Soviet domination of border governments. They said it showed also the extreme concern with which the Soviets view the Marshall plan and the vigor with which they can be expected to oppose it at every point.

Report Baxter In Third Place

Cleland F. Baxter is in third place in the yacht race to Honolulu as of the standings announced last night. At the helm in the "Dragoon" the Uplander is among the leaders in the unique race, according to Mrs. R. R. Brownson, who listens every night over radio station KFOX to the current standings of the contestants.

Mrs. Baxter, wife of the skipper and daughter of Mrs. Brownson, left San Francisco on the Matsonia today with about 60 other wives of the contestants to be in Honolulu at the conclusion of the race. Mr. Baxter will fly back to the mainland July 28 and his wife will return on the Matsonia in August.

Report Theft Of Automobile Parts

The theft of an automobile motor, a rear axle and three disc wheels—total value $75—was reported to Upland police this morning by Earl E. Marsh, 1870 West Arrow highway.

Mr. Marsh reported the articles were taken from his yard.

USES HAMMER, FINGER HURT

Hammering fingers—favorite pastime for amateur carpenters—didn't turn out well for R. S. Burr.

"Fracture, end of left thumb," San Antonio community hospital physicians recorded, after treating Mr. Burr Wednesday.

Mr. Burr explained that he banged the digit with a hammer when at work. He resides at 1237 East Ninth street.

Grant Boost To Citrus Bus Line

An increase of from eight cents to ten cents for single fares on the Citrus Belt bus lines operating between Ontario and Upland has been approved by the state public utilities commission, according to an announcement from San Francisco.

An increase of from $1.80 to $2.40 on 30-ride books and from $1.20 to $1.80 on 30-ride student rates was also granted.

Our Sincere Thanks

We would like to express our deepest thanks to the many people that visited the Opening of our New Nursery at 155 South Euclid yesterday . . . We were especially pleased with the Congratulations and Good Wishes expressed by all.

SUPPORT FOR KAISER IS A BOOST FOR A WESTERN ISSUE

It is a timely move on the part of the chamber of commerce to ask local support for the Kaiser Co. request for an adjustment in loans from the Reconstruction Finance corporation. Appeal for the support is not based on personalities. The issue is not Henry Kaiser; the real issue is much larger.

There is good basis for the request to wipe out a big portion of the money advanced the western industrialist by the federal government. The United States Steel corporation's recent purchase of the huge steel mill at Geneva, Utah, at about 20 cents on the dollar sets the value of wartime-built plants.

If the eastern controlled U. S. steel can get a mill at this big reduction, so should the western mill be so appraised. The San Francisco Chronicle points out that the Western States Council, a group of western industrialists, are supporting the Kaiser petition entirely without sentiment for Mr. Kaiser.

The Bay city paper continues:

"These Western industrialists want the excessive wartime cost of Fontana scaled down to correspond to the rescaled cost of Geneva, for the simple Western reason that they want competition in the Western steel industry and they want it without penalty.

"Once equal competitive conditions are assured, Western support of Kaiser, as such, ceases; what the West plants wants is a Far Western steel plant, no matter who runs it, and they want it only because they believe it will make for lower-priced Western steel.

"Involved in this, on a scale of immeasurable largeness, is the Western future. It is a future in which the West can reaccept its historic colonial, nonindustrial status imposed by Eastern industrialists, accepting along with it continued throttling of development through artificially high steel prices and high prices of everything flowing from the steel-price source, or a future in which the West's development would be incalculably speeded and broadened through fairer access to the basic resource of steel."

★ ★ ★

BUILDING ACTIVITIES HERE INDICATVE OF HEALTHY SITUATION

That the Upland community is steadily growing is reflected by the week-to-week issuance of building permits for new houses and other structures. It is a very healthy sign when valuation of construction totals $550,000 during the first six months of 1947 here.

Back of the steady building construction here is no high-powered subdivision promotion. Instead there is only the interest of individuals in wanting to build their homes here. Many subdivision promoters are very worthy and their efforts are a big help to the growth of many communities. When a community develops steadily, however, without the impetus of commercialism that growth is more natural and more substantial.

The entire Chaffey district is growing now—and it will continue to grow because here "California is at its best."

★ ★ ★

Some people seem to think that there's more campaigning for the 1948 election going on in the halls of Congress these days than actual lawmaking. Sometimes, we wonder ourselves.

Mackenzie's Column

By DeWitt Mackenzie

Well, the division of Europe into eastern and western blocs finally has been formalized—and by Moscow.

Russia knew whereof she spoke when she warned the American program for European rehabilitation would result in the formation of two blocs. She knew it because she herself was prepared to make the division arbitrarily.

DeWitt Mackenzie

Only one of the small nations within the Soviet Union sphere of influence dared accept the Anglo-French invitation to attend the rehabilitation conference scheduled to open in Paris tomorrow. That was Czechoslovakia—Slavic in origin but western in its ideas and ideals. Moscow put on the screws, and the Prague government, with its communist premier, gave in.

One wonders, by the way, what reaction we may get ultimately from the very democratic president Eduard Benes, one of the founders of the republic, and from Foreign Minister Jan Masaryk, son of the late Dr. Thomas Masaryk, father of his country and its first chief executive. The Czech spirit isn't adapted to servitude. Smoldering fires burn long.

Indications are that Russia is preparing to inaugurate a counter economic program for her eastern bloc. Thus, as things now stand, instead of a coordinated effort in the interests of European rehabilitation there will be two competing areas. Each of them will have resources which the other needs and can't get.

One of the most extraordinary aspects of this situation is displayed in an astonishing statement by a Polish government spokesman in Warsaw. Commenting on Poland's rejection of the invitation to attend the Paris parley he told a news conference his country still looked principally to the United States to supply the necessities for rebuilding the war-torn nation.

Undoubtedly there are other Soviet satellites which are hoping America will aid them, despite their refusal to participate in the Marshall plan.

Big hearted Uncle Sam! Should the United States subscribe to such a program it would put her in the position of supplying the Soviet and its satellites with the sinews to combat the policies of the western democracies.

POEM

FLYING SAUCERS

Many folks are telling us
Of strange things in the air
Some call them discs or saucers
Some say they're just a scare.

Some say that they can travel
A thousand miles per hour
But no one seems to know
From whence they get their power.

So far as we have heard
No disc has yet been found
For the law of gravitation
Fails to bring them to the ground.

Perhaps they are the product
Of a strong imagination
No one knows their purpose
Nor yet their destination.

If these discs are real
Or an optical illusion
Faith is the one best way
To overcome confusion.

ERNEST A. DART.

About People

(Continued from Page 2)

Gilbert Pina, 766 East Olive street, is still confined to a Denver, Colo., hospital, convalescing from injuries received in an automobile accident the latter part of June. His condition is reported as "not too good" and he is expected to remain in the hospital for at least a month longer. After his dismissal he will return to Upland where he has been residing with his brother-in-law and sister, Mr. and Mrs. Loris LaRue.

John McCarty, member of the Upland police force, was in Los Angeles Wednesday where he had taken his son, Jackie, to visit a specialist.

The Owen Atwoods, 607 North Euclid avenue, are expected to return Thursday from a vacation trip to Yosemite National park. Included in the party besides Mr. and Mrs. Atwood are their son-in-law and daughter, Mr. and Mrs. Floyd Allen and their small daughter, Laurel Sue. The Rev. Karl K. Heilman, new minister of the Upland Methodist church, and his wife have been occupying the Atwood home during the latter's absence.

Virginia Larson, 803 North First avenue, has returned to her duties as clerk at Harris' pharmacy, following a two-weeks vacation. During her vacation, she visited her brother-in-law and sister, Dr. Frank Grossman, in San Diego.

You Think Wartime Golfing Was Tough

By RUSS NEWLAND

SAN FRANCISCO—Golfers in this country who found it necessary to play with reconditioned balls during the war years may now consider themselves fortunate indeed in the light of information carried in "Golf Monthly," published in Edinburgh, Scotland.

From that periodical we learn that golfers in Southern Rhodesia, South Africa, were forced to the archiac use of wooden balls at a time when their American contemporaries were whacking a well rebuilt model of the regular pellet.

Wooden balls, if they ever were used before the South African experiment, must be the lowest form of golfing life, worse than the old gutta perchas or even the 15th century leather bag stuffed with feathers. Anyhow, the wooden specimen is described as "well rounded, painted white with scored lines and colored dots; a nice imitation of the real article reflecting credit on the craftsmanship. When it came to be hit was another story. It does not bounce, a poor substitute, but it kept some touch with the game for the enthusiastic."

And W. G. Banks, honorary secretary of the Broken Hill golf club, Southern Rhodesia, wrote of the wooden travesty: "It was recommended that only irons should be used, but woods could be used if first faced with a leather pad.

Let us hear no more reference in this country to the years when reconditioned balls "hurt my game."

Lindy's Edge Legion Club

While Lindy's Red Devils were tagging the Ontario Legion with an 8-1 loss in an A loop game played at Corona, the Shady Grove dairy nine last night surged into first place in the B league here, by overwhelming the Odd Fellows, 14-7.

The game, which set a new loop record for runs scored, shoved the Shady Groves into the top spot with two wins and no defeats. The Upland Legion will have a chance to share that honor tonight if they can get by the Police nine.

For three innings the tussle at city park was strictly a pitcher's duel. Going into the fourth, neither team had scored a run.

The Shady Groves leveled a five-run barrage in that frame with Dight Burs four master the biggest blow.

The Odd Fellows came back with a single tally in their half, but the dairy nine pushed further to the front with three more in the fifth.

The Odd Fellows batted around to score six times in the sixth. They recorded three hits, while their opponens had three infield errors charged against them.

Shady Grove picked up two more runs in the sixth and iced the contest in the seventh when they added four. A homerun by pitcher Doyle Book was good for two of them.

Riding Club Plans Another Outing

After a successful moonlight ride to San Antonio park July 6, where a barbecue lunch was served and movies of local riders in action shown, the Westward Ho Riding club is planning another ride within two weeks, when a watermelon feast will be held. All members are urged to attend. The club also invites all riders to come whether members or not.

The Upland News
SPORTS
The Upland News, Friday, July 11, 1947—Page Five

ROLLING 'EM IN

The Corona "Rolling Devils" basketball team pictured in action. The quintet, led by John Winterholler, former Wyoming All-American, has gained nation-wide attention on a recent tour. The boys were seen in action at the Chaffey gym a couple of months back. Every member is a navy or marine veteran injured in war.

Don Black, Ex-Elbow Bender, Bends Elbow In No Hit Performance

Don Black, a reformed character who was "all washed up" a year ago, has eclipsed his famous Cleveland teammate Bobby Feller by pitching the first no-hitter of the American league season.

The Indians' righthander, whose elbow bending off the diamond, cost him one big league job and sent him shuffling off to the minors two seasons, is the No. 1 man of the Cleveland staff—at least for one brief 24-hour period. He gives all credit to Alcoholic Anonymous which he joined last winter.

Black's effort was a little spotty in the early stages. He walked the first two men he faced and leaned heavily on his mates' fielding enroute to his dazzling success against his old Philadelphia mates.

Rain halted the scheduled twilight game in the second inning for 45 minutes and the management turned on the lighs for the final six innings in a weird setting, typical of Black's background.

Joe Gordon's overhead running catch of an Elmer Valo pop fly in right field in the third inning was the fielding gem that saved the day. Black, who had thrown two no-hitters for Petersburg, Va., in the Class D Virginia league in 1942, helped set up his 3-0 margin, pushing home one run with a squeeze bunt.

Lefty Joe Page, the New York Yankees' relief ace, added a new turn to his specialty and batted a ninth-inning home run that sunk the St. Louis Browns, 4-3.

End First Half Against Lions

Gunning for a victory that will put them on the right side of the win-loss ledger as they end up the first half of the season, the Upland Merchants play the Lions of San Bernardino at Perris Hill park tomorrow evening.

Somewhat milder than their name indicates, the Lions haven't exactly set the loop afire this season. They're currently bracketed with the U.C. Travelers and the American Legion Juniors in the second division. Each has won two while losing four. Kenny Smith's boys are three up and three down in the W-L column.

It'll be for the second game of tomorrow night's double bill that fans are expected to jam pack the ball park.

In that one, Fontana Jay Cee and Sages Yankees, each with six wins and nary a defeat, clash for the first half championship.

Sport Slants

By BOB HOLT

"Why won't the Ontario Rockets play the Van Fleets."

Oscar Ayers, Van Fleet manager, would like to have the answer to that one. Oscar broadly intimates that the Rocket management has "ducked" when a match between the two teams is proposed.

To our way of thinking, such a game would be a natural. The Rockets are a very fast ball club. But, then, the Van Fleets aren't slow. Despite their 3-2 loss to the lowly Merchants Monday, they have plenty of class.

It's no secret that more than one American Nightball league outfit has been after Luther Van Hoy. So far, the club's ace lefty, has turned 'em all down flat.

A battle between the two, played on the Upland field, would, we predict, bulge the new stands which are now being erected at the local ballyard.

ARE the Rockets afraid to risk their prestige? How about it, Benson?

—o—

In this column a few weeks back, we mentioned the possibility of seeking a local franchise for Upland in the American nightball league.

Ayers has announced that he's most anxious to secure a berth in that circuit for his club. And he'd like to do it this year, if possible.

Oscar thinks—and we concur—that the Van Fleet aggregation would be a stronger entrant than the last place Pomona Pioneers, who've managed to win but five ball games in 19 starts.

—o—

Speaking of police, understand that Chief Eugene Mueller's Upland police nine has been bolstered by a couple of new players. Lew Fuller, city recreation director, is now a special officer, and may don a PD uniform. Ditto Councilman Johnny Meek, who's eligible as city police commissioner.

One or both may see action tonight when the club goes against the Legion at 8:15.

—o—

That old saw that runs, "anything can happen in a ball game," had to be gotten out and dusted off again Monday night when the Upland Merchants knocked off Van Fleets.

That one produced a lot of surprises. For one thing, Luther Van Hoy being touched for 10 hits, about five times the number he normally yields.

But there were others. Between them, the two pitchers erased 23 batsmen via the strikeout route. Luther walked one, Roth Davis none. How's that for control!

Murphy, Van Fleet catcher, had 16 of the 21 putouts his club recorded. And the first baseman, normally a major PO producer, had one. Some game!

—o—

A Pasadena city league game was halted the other night for what—to us at least— is a new one. City police came to the field and arrested one of the pitchers on a theft charge. The protesting chucker was whisked off to jail on a petty theft off to jail. He was later acquitted.

"BUD" TAYLOR SCORES UPSET IN TOURNAMENT

LOS ANGELES, July 11, AP—Dr. Frank (Bud) Taylor, Red Hill country club, walked off with the honors in the first match play round of the Southern California amateur links tourney when he disposed of his long-time rival, Roger Kelly, the tournament medalist, yesterday.

Dr. Taylor had trailed Rogers, the top man in qualifying, by 10 strokes in the qualifying round. The match yesterday went to the 19th hole where Taylor, aided by a 220-yard spoon shot, won 1 up.

Orioles Bow Again, 10-0

The El Centro Imps pinned a third straight loss on the Ontario Orioles last night at Galvin park, when they pasted a 10-0 victory in the third and final game of the series.

Nate Moreland, big Negro pitching ace, set Danny Reagan's club down with seven hits. He also aided the El Centro cause offensively with two hits and one RBI.

Defensively, the locals were more than normally inept, committing six errors. One big inning, the sixth, gave the visitors eight runs.

Immediately after last night's game, the Orioles departed for Las Vegas where they'll meet the Wanglers in games Friday, Saturday and Sunday.

They also visit Reno for a four-game set before returning here Saturday, July 19 for a night game with Anaheim.

Three Court Games Carded

Plenty of fast action is being seen these evenings at the Chaffey gymnasium, where hard-fought basketball games in the summer recreation league are being played three nights per week.

Tonight, the high school age loop swings into action with three contests. The Phonies play the Rowsers at seven, O'Hares meet the Demolay quintet at eight and the Seagram Five and Upland All Stars collide at nine.

In Wednesday's battles, in the open division, Tex Williams Studebaker decisioned the Little Giants, 44-17 with S. Curtis piling up 22 points of the winners. Other scorers included Fisk with 10, McClure, four; Cummings, eight and Hase. N. Alexander lead the Giants with eight, Smith had six, Bowers two and Hayes one.

In the second contest, Parkins roared in high gear to smother Nelson, 52-33. Captain Parkin was highpoint man with 20, closely followed by Curtis with 18. Zmoleck dumped in 12 for the losers. Half time score was 26-12.

Civil War at Galvin Tonight

Rockets In 5th Try For Win

Bitter experience hasn't taught the Ontario Rockets much, it appears.

Battered four straight times by the Etiwanda Reginas, Benny Burgess's charges are going to try it once more this evening.

Tonight's contest, starting at 8:15, will be the second meeting between the clubs at Galvin park.

Both teams were beaten in Monday night's frays, with the Rockets bowing 6-2 to Colton and the Reginas succumbing to Riverside, 2-1.

Jeff Benner and Cab Calloway shouldered the pitching duties for the ex-GE's Monday, and were rapped for an even 10 blows.

McClellan started for the Hubbers, but was lifted in the first after two runs came in. The veteran Bud Mayer came in to pitch at that point, and effectively stifled the Rockets after that.

BABE BOOSTS LEGION BASEBALL PROGRAM; RAPS ARCLIGHT PLAY

DALLAS, AP—George Herman Ruth, a shell of the giant Babe who set the greatest slugging records of diamond history, said today the American Legion junior baseball program gave just what he wanted for the kids of he nation—a chance to play the game where their idols did.

Still suffering from a neck ailment that almost took his life, the Babe said he was enjoying every minute of his national tour in the interest of American Legion baseball.

Admitting that the fans liked night baseball, he declared he definitely was against playing under the lights.

"The youngsters aren't getting the chance to play the game as they should," he snorted. "They play at night in the minors, then try to play in the majors in daynight. They can't make the switch and get started right. And the kids today are too soft.

"Suddenly when they're at an age when they should be ready for professional ball they're handed a ball and bat and told to start playing. They play a few years without taking the knocks of the game and having to fight for the breaks. Then they get into minor league ball that's all played under the lights. It isn't good for their baseball and it isn't good for their health. Their baseball career is pretty short.

Rotary Club

Planning Of Estates Told

Various means of "Estate Planning" were explained by William Gallagher, trust officer for the Bank of America, when he spoke to the Upland Rotary club Wednesday.

Mr. Gallagher, who was introduced by Frank Nichols, program chairman of the day and manager of the Bank of America, Upland branch, said that estate planning was a process of determining the most effective disposition of man's assets either during his lifetime or after his death.

He discussed briefly joint ownership of property, gifts, living trust, life insurance trust, liquidating trust and wills.

New Rotary members during 1946-47 were introduced by Robert Henderson, junior past president. They included Earl Gordon, Don Adams, Jack Ricci, Emory Barkow, William Walton, Harry Warner, Walter Smith, Glenn Thompson, Edward Hansen, Paul Daggs, Stanford Shaw, Robert Armstrong, O. K. Delman and Dr. John Skewis.

President Paul Hottel presided at the meeting.

Urge Vets To File Claims

With the prospect of terminal leave bonds becoming payable by Sept. 1, Edgar C. Pierce, adjutant and service officer of the Upland American Legion post, today reminded veterans to file their claims immediately.

"Claims for terminal leave pay will not be recognized after Sept. 1 and veterans will lose their opportunity to receive renumeration for furloughs and leaves not taken in service," Mr. Pierce declared.

The House unanimously passed a bill Monday providing for the cashing of leave bonds after Sept 1. The Senate committee is slated to take up the bill today and quick action anticipated.

Mr. Pierce stressed that application should be made well ahead of the Sept. deadline to avoid any confusion of delay in settlement that might result from a last-minute rush.

Mr. Pierce, located at 237 North Second Avenue has terminal leave applications and is ready to advise and assist veterans in filing now.

Applications Open For Parole Officer

Applications are now being received by the state personnel board for the position of chief state parole officer, department of corrections. Under the direction of the adult authority, the parole officer is to develop and administer the adult parole program for the state.

Examinations, both oral and written, will be given in Los Angeles, and final date for filing applications is July 19. Beginning salary is $535, with periodic raises.

SIGNS AGAIN

HOLLYWOOD (AP)— Charley MacDonald, boxing matchmaker at the American Legion stadium for the last 17 years, has been signed for another three years by the stadium management.

Erie Canal Day: OPPOSITION 130 YEARS AGO LIKE TODAY'S SEAWAY FIGHT

AP Newsfeatures

ROME, N. Y.—At sunrise of July 4, 1817, citizens of this Mohawk River community gathered near Fort Bull to watch the breaking of ground for a 360 mile long ditch heralded by some as a national life line and censured by others as a road to economic ruin.

Out of that "Grand Erie Canal" grew a barge canal system for which New York state has paid close to $250,000,000 to date. Cargo tonnage moved through the canal has fallen off more than 40 percent in the last 10 years, but canal officials say that, if not a boat were moving, the system would be worth its cost in floor control.

Whether Judge Joshua Hathaway, president of Rome in 1817, or contractor John Richardson turned the first spadeful of earth for the Old Erie Canal is a question argued occasionally. The controversy is mild, however, compared to the battles—verbal and physical—that preceded and followed that ceremony 130 years ago.

Rochester, Syracuse, Utica, Buffalo, Rome and dozens of other towns bloomed overnight. A cheap transportation route between east and west had been laid. The travel time from New York and the Atlantic to Buffalo and Lake Erie had been cut from a month to about ten days. Salt, grain, gypsum, timber, oil and other products could be hauled in bulk by the mules tramping the towpaths between Lake Erie and the Hudson River.

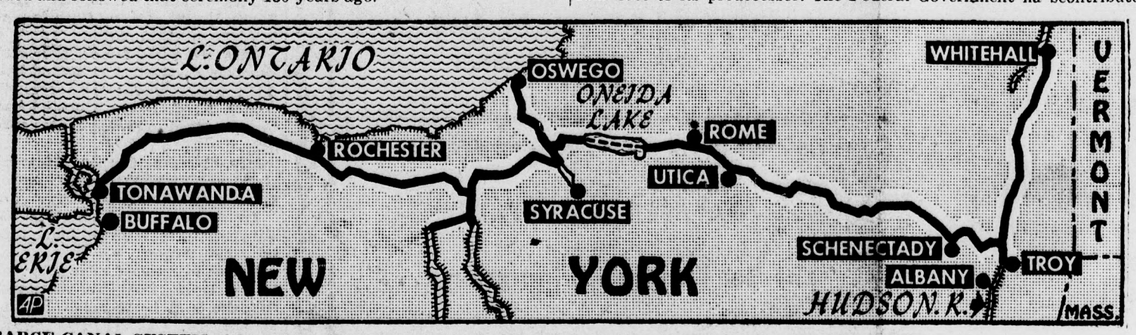

The towpaths and the old canal were outdated, however, before the turn of the century and the railroads took over. In 1903, the people of the state authorized a $101,000,000 bond issue to begin construction of the present channels. The 57-lock barge canal system, canals, was opened to navigation in 1918. Much of the old canal has been utilized for roadways.

The system now has a minimum depth of 12 feet, compared to the four feet of its predecessor. The Federal Government ha scontributed approximately $27,000,000 for deepening to 14 feet the stretches between Waterford on the Hudson and Oswego on Lake Ontario for larger boats.

The Port of New York Authority, figuring that maintenance, operation and improvement of the system was costing the state approximately $4,000,000 annually, has agitated for federalization. Congress authorized federal acceptance of the Erie and Oswego branches by the rivers and harbors bill of 1930. But the bill stipulated that they be operated "as barge canals only, and not as or with any intention to make them ship canals or to hinder or delay the improvement of the St. Lawrence Waterway."

This stipulation aroused opposition and the state legislature decided not to open the way for transfer. The Port Authority said seaway advocates had inspired the proviison as a guard against an all-American route.

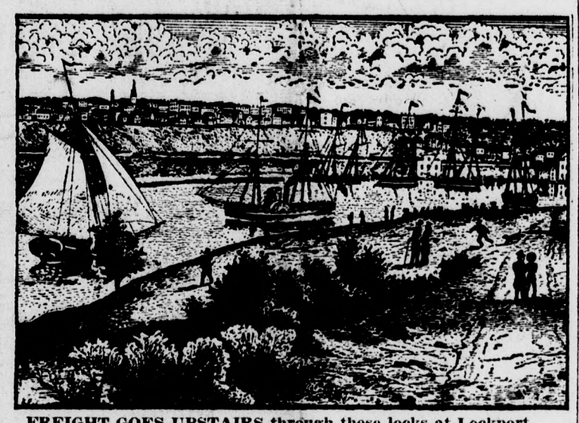

The system remains a barge waterway. Single motored barges average si xdays for the Troy to Buffalo passage but fleets of tugs crawl slower requiring about ten days for a trip.

BARGE CANAL SYSTEM of New York State that grew out of the his toric "Grand Erie Canal"—cost $250,000,000.

WESTERN TERMINUS of the Erie Canal—Buffalo Harbor.

FREIGHT GOES UPSTAIRS through these locks at Lockport.

The bitter debate before the state legislature at Albany authorizd construction of the 83-lock waterway has a counterpart in the current wrangle over the proposed St. Lawrence Seaway. One of the arguments in favor of the canal was that it would forestall routing of trade from the Great Lakes through the St. Lawrence River to a Canadian outlet. Today, the "canawlers" and the railroad interests, long arch foes, are warring together against seaway proponents, because both fear loss of trade.

Opponents of the original canal project cried:

"A 360-mile canal? Impossible! Who could build it, who would pay for it?"

Gov. Dewitt Clinton's "ditch" from Albany to Buffalo was dug, nonetheless, in eight years at a total cost of less than $8,000,000, and it more than paid for itself. By 1882, when tolls were abolished, the canal had dumped into New York's till $42,600,000 more than had been spent for construction, maintenance and improvement.

Meeting Of Air Reserve Officers At March Field To Activate Groups

All Air Reserve officers in the area have been invited to attend an informal dinner dance at the March field officer's club on July 19, with their wives.

The dinner will signify the activation of three Air Reserve squadrons, the 41st, 713th and 714th Very Heavy Bombardment squadrons of the Combat Reserve.

Authorization has been received for reserve officers to fly at the nearest Air Force base when aircraft are available. However no scheduled flights for reserve officers at March field can be arranged before July 31.

The 714th Squadron will include all officers in the southern part of San Bernardino county and will be commanded by Lt. Colonel James R. Cranford, Riverside.

The 713th squadron will include all reserve officers in the northern part of San Bernardino county with no commanding officers named as yet.

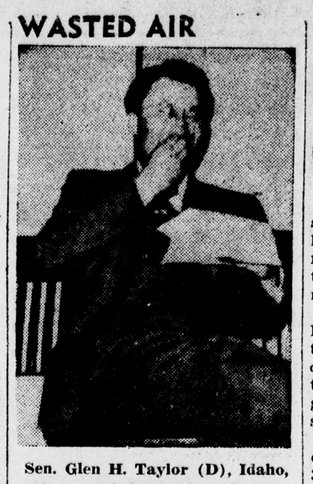

Reservations for the dinner dance should be made through the Air Reserve Training detachment, March field, accompanied by a remittance of $2.50 per person.

Bread crumbs seasoned with celery, parsley, or onions make a delicious stuffing for duck.

SEIZE RAZORS

GUAM (AP) — Acting after a second Japanese witness committed suicide with a straight-edge razor, U. S. marine guards seized 11 razors from men waiting to testify in the Truk atrocity trial.

WASTED AIR

Sen. Glen H. Taylor (D), Idaho, eats a sandwich and reads telegrams after making one of the longest filibusters in modern Senate history. He spoke for 8 hours and 20 minutes but the Senate overrode the President's veto of the Taft-Hartley labor bill, 68-25.

Two Pedestrians Struck On Euclid

Hattie R. Cushing, 65, of 117 West B street, Ontario, was injured when she was struck by a truck in the crosswalk of the west parkway of Euclid avenue at the corner of B street shortly after 10 o'clock Thursday morning.

Mrs. Cushing suffered lacerations of the forehead and multiple bruises after being knocked down by a truck and trailer driven by Edward K. Tesau, Pomona, and owned by the Pipe Line Construction company.

Mrs. Cushing, who is the wife of Harry Cushing, well known Ontario cigar stand operator on B street, was removed to the Green Memorial hospital for treatment.

Tesau, the driver, was cited for failing to yield the right of way to a pedestrian by Traffic Sergeant Harley Smith who investigated the accident.

John W. Everard, 75, 171 South Fern avenue, Upland, received lacerations of the forehead that required three stitches after being knocked to the pavement by a truck while crossing the west parkway of Euclid avenue half way between A and B streets Wednesday morning.

The panel truck which struck Everard was operated by Herbert L. Cassee, 23, Pomona, who told police that he did not see the pedestrian until it was too late to avoid striking him.

TAKES CANDY, LEAVES MONEY

HAMILTON FIELD, AP — A sweet tooth for candy must have impelled someone with an honest nature to break into her store, Mrs. Lottie Vieman told police.

Her little notions shop at the entrance to the Army's Hamilton field was missing two bags of candy and had a broken window when she opened up for the morning's business.

By the candy case was a five-dollar bill.

STAYED 4 HOURS

Robber Who Broke Into Seitz Garage Confesses In Pasadena

The robbery of the Joe Seitz service station, which took place here May 21, has been solved and more than $370 worth of stolen tools recovered, Upland police announced yesterday.

The culprit, Henry Marquez, Pasadena, has signed a confession to the crime, Sgt. Henry Younge of the local department said. The tools were recovered in Marquez' garage at his home, 184 Pearl street, Pasadena.

Marquez is being held by Pasadena police, charged with some 30 burglaries in Los Angeles county, Mr. Younge said.

Tells Story

In his signed statement, Marquez told of driving to Upland and parking on a street near the service station.

He said he used a bolt cutter to remove a padlock from the door, later prying another lock from the garage door with a crowbar.

He entered the premises at about 9:30 p.m., he related, and remained until 1:30 a.m. He said he worked for several hours in an unsuccessful attempt to open the garage safe.

Although he managed to tip the safe over, and to break the combination knob, the box resisted all efforts to break in.

Saw Officers

He said he saw patrolling police officers pass the station in their automobile once during the night. They did not stop.

After he "got tired" of trying to open the safe, Marquez said he removed his loot of tools and equipment to his car and drove away.

Only one of the items stolen from the station has not been recovered, according to Sgt. Younge. That is an electro motor peaker.

Among the loot found and returned to Mr. Seitz are an arature lathe tachometer, electro coil master, amp-volt and resistance meter, electro trouble shooter, cam angle indicator, valve lifter micrometer a tongue wrench and a ratchet adapter.

Sgt. Younge said it was unlikely Marquez would be returned here for trial, as he faces charges on a multiplicity of crimes in Los Angeles.

Chino Student Contest Winner

Michael Killion, eighth grade student at Chino high school, was this week awarded a five day all expense tour to Yosemite National park as a result of winning a prize for offering the best fire prevention slogan in San Bernardino county.

The slogan contest was sponsored last month by the California Fire Prevention committee for all students in the state public schools between the ages of seven and 14.

"Keep California Free of Fires" was the prize-winning slogan entered in the contest by Killion.

Kenny Calls Meeting For Henry Wallace

Former state attorney-general Robert W. Kenny this week called on all Democratic supporters of Henry A. Wallace to attend a meeting in Fresno Saturday, July 19, for the purpose of organizing machinery to secure election of a "Wallace for President" delegation to the National Democratic Convention.

In a letter sent to leading Democrats throughout the state, Kenny emphasized that the meeting, to be held in the Memorial auditorium from 1:30 to 9:30 p.m., was being called, not to debate whether Wallace's name shall be placed on the ticket but, rather, to obtain a Democratic delegation "committed unequivocably and without compromise to Wallace for President."

VOL. LII. UPLAND, CALIFORNIA, FRIDAY, JULY 11, 1947 NUMBER 159

Rotary Club

Planning Of Estates Told

Various means of "Estate Planning" were explained by William Gallagher, trust officer for the Bank of America, when he spoke to the Upland Rotary club Wednesday.

Mr. Gallagher, who was introduced by Frank Nichols, program chairman of the day and manager of the Bank of America, Upland branch, said that estate planning was a process of determining the most effective disposition of man's assets either during his lifetime or after his death.

He discussed briefly joint ownership of property, gifts, living trust, life insurance trust, liquidating trust and wills.

New Rotary members during 1946-47 were introduced by Robert Henderson, junior past president. They included Earl Gordon, Don Adams, Jack Ricci, Emory Barkow, William Walton, Harry Warner, Walter Smith, Glenn Thompson, Edward Hansen, Paul Daggs, Stanford Shaw, Robert Armstrong, O. K. Delman and Dr. John Skewis.

President Paul Hottel presided at the meeting.

Urge Vets To File Claims

With the prospect of terminal leave bonds becoming payable by Sept. 1, Edgar C. Pierce, adjutant and service officer of the Upland American Legion post, today reminded veterans to file their claims immediately.

"Claims for terminal leave pay will not be recognized after Sept. 1 and veterans will lose their opportunity to receive renumeration for furloughs and leaves not taken in service," Mr. Pierce declared.

The House unanimously passed a bill Monday providing for the cashing of leave bonds after Sept 1. The Senate committee is slated to take up the bill today and quick action anticipated.

Mr. Pierce stressed that application should be made well ahead of the Sept. deadline to avoid any confusion of delay in settlement that might result from a last-minute rush.

Mr. Pierce, located at 237 North Second Avenue has terminal leave applications and is ready to advise and assist veterans in filing now.

Applications Open For Parole Officer

Applications are now being received by the state personnel board for the position of chief state parole officer, department of corrections. Under the direction of the adult authority, the parole officer is to develop and administer the adult parole program for the state.

Examinations, both oral and written, will be given in Los Angeles, and final date for filing applications is July 19. Beginning salary is $535, with periodic raises.

SIGNS AGAIN

HOLLYWOOD (AP)— Charley MacDonald, boxing matchmaker at the American Legion stadium for the last 17 years, has been signed for another three years by the stadium management.

Erie Canal Day: OPPOSITION 130 YEARS AGO LIKE TODAY'S SEAWAY FIGHT

AP Newsfeatures

ROME, N. Y.—At sunrise of July 4, 1817, citizens of this Mohawk River community gathered near Fort Bull to watch the breaking of ground for a 360 mile long ditch heralded by some as a national life line and censured by others as a road to economic ruin.

Out of that "Grand Erie Canal" grew a barge canal system for which New York state has paid close to $250,000,000 to date. Cargo tonnage moved through the canal has fallen off more than 40 percent in the last 10 years, but canal officials say that, if not a boat were moving, the system would be worth its cost in floor control.

Whether Judge Joshua Hathaway, president of Rome in 1817, or contractor John Richardson turned the first spadeful of earth for the Old Erie Canal is a question argued occasionally. The controversy is mild, however, compared to the battles—verbal and physical—that preceded and followed that ceremony 130 years ago.

Rochester, Syracuse, Utica, Buffalo, Rome and dozens of other towns bloomed overnight. A cheap transportation route between east and west had been laid. The travel time from New York and the Atlantic to Buffalo and Lake Erie had been cut from a month to about ten days. Salt, grain, gypsum, timber, oil and other products could be hauled in bulk by the mules tramping the towpaths between Lake Erie and the Hudson River.

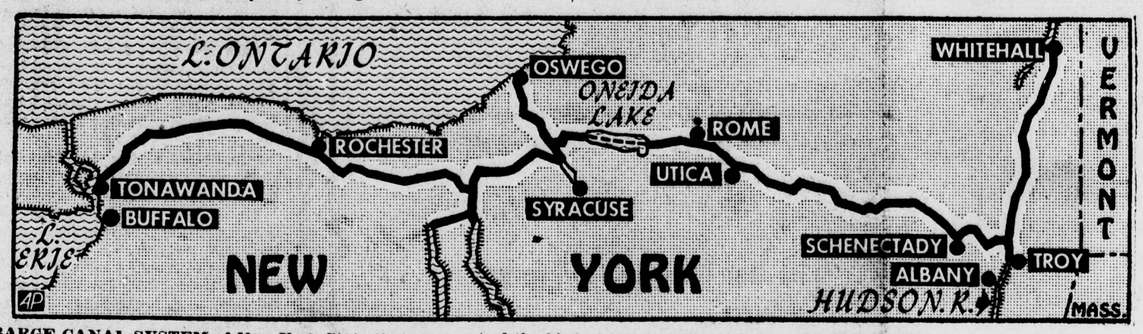

The towpaths and the old canal were outdated, however, before the turn of the century and the railroads took over. In 1903, the people of the state authorized a $101,000,000 bond issue to begin construction of the present channels. The 57-lock barge canal system, canals, was opened to navigation in 1918. Much of the old canal has been utilized for roadways.

The system now has a minimum depth of 12 feet, compared to the four feet of its predecessor. The Federal Government ha scontributed approximately $27,000,000 for deepening to 14 feet the stretches between Waterford on the Hudson and Oswego on Lake Ontario for larger boats.

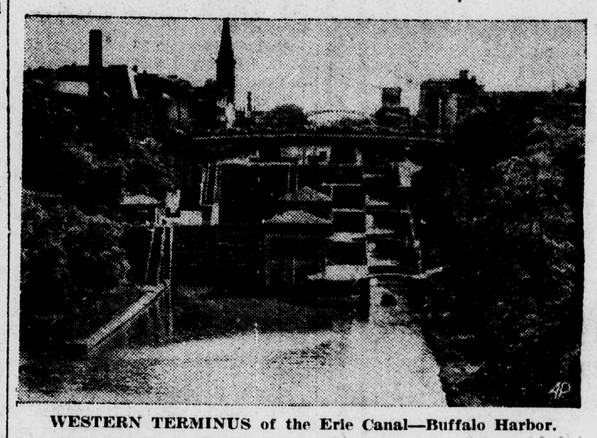

The Port of New York Authority, figuring that maintenance, operation and improvement of the system was costing the state approximately $4,000,000 annually, has agitated for federalization. Congress authorized federal acceptance of the Erie and Oswego branches by the rivers and harbors bill of 1930. But the bill stipulated that they be operated "as barge canals only, and not as or with any intention to make them ship canals or to hinder or delay the improvement of the St. Lawrence Waterway."

This stipulation aroused opposition and the state legislature decided not to open the way for transfer. The Port Authoriiy said seaway advocates had inspired the proviison as a guard against an all-American route.

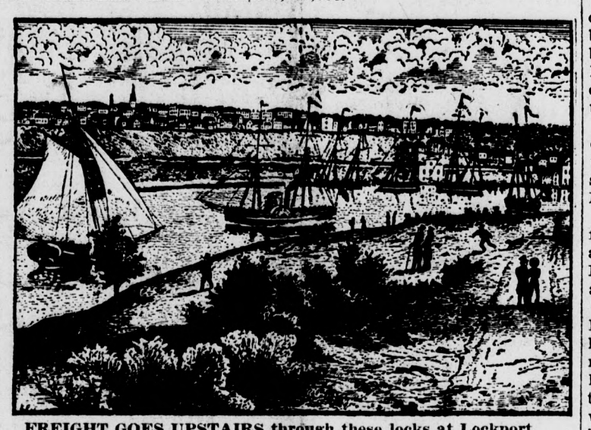

The system remains a barge waterway. Single motored barges average si xdays for the Troy to Buffalo passage but fleets of tugs crawl slower requiring about ten days for a trip.

BARGE CANAL SYSTEM of New York State that grew out of the his toric "Grand Erie Canal"—cost $250,000,000.

WESTERN TERMINUS of the Erie Canal—Buffalo Harbor.

FREIGHT GOES UPSTAIRS through these locks at Lockport.

The bitter debate before the state legislature at Albany authorized construction of the 83-lock waterway has a counterpart in the current wrangle over the proposed St. Lawrence Seaway. One of the arguments in favor of the canal was that it would forestall routing of trade from the Great Lakes through the St. Lawrence River to a Canadian outlet. Today, the "canawlers" and the railroad interests, long arch foes, are warring together against seaway proponents, because both fear loss of trade.

Opponents of the original canal project cried:

"A 360-mile canal? Impossible! Who could build it, who would pay for it?"

Gov. Dewitt Clinton's "ditch" from Albany to Buffalo was dug, nonetheless, in eight years at a total cost of less than $8,000,000, and it more than paid for itself. By 1882, when tolls were abolished, the canal had dumped into New York's till $42,600,000 more than had been spent for construction, maintenance and improvement.

Meeting Of Air Reserve Officers At March Field To Activate Groups

All Air Reserve officers in the area have been invited to attend an informal dinner dance at the March field officer's club on July 19, with their wives.

The dinner will signify the activation of three Air Reserve squadrons, the 41st, 713th and 714th Very Heavy Bombardment squadrons of the Combat Reserve.

Authorization has been received for reserve officers to fly at the nearest Air Force base when aircraft are available. However no scheduled flights for reserve officers at March field can be arranged before July 31.

The 714th Squadron will include all officers in the southern part of San Bernardino county and will be commanded by Lt. Colonel James R. Cranford, Riverside.

The 713th squadron will include all reserve officers in the northern part of San Bernardino county with no commanding officers named as yet.

Reservations for the dinner dance should be made through the Air Reserve Training detachment, March field, accompanied by a remittance of $2.50 per person.

Bread crumbs seasoned with celery, parsley, or onions make a delicious stuffing for duck.

SEIZE RAZORS

GUAM (AP) — Acting after a second Japanese witness committed suicide with a straight-edge razor, U. S. marine guards seized 11 razors from men waiting to testify in the Truk atrocity trial.

WASTED AIR

Sen. Glen H. Taylor (D), Idaho, eats a sandwich and reads telegrams after making one of the longest filibusters in modern Senate history. He spoke for 8 hours and 20 minutes but the Senate overrode the President's veto of the Taft-Hartley labor bill, 68-25.

Two Pedestrians Struck On Euclid

Hattie R. Cushing, 65, of 117 West B street, Ontario, was injured when she was struck by a truck in the crosswalk of the west parkway of Euclid avenue at the corner of B street shortly after 10 o'clock Thursday morning.

Mrs. Cushing suffered lacerations of the forehead and multiple bruises after being knocked down by a truck and trailer driven by Edward K. Tesau, Pomona, and owned by the Pipe Line Construction company.

Mrs. Cushing, who is the wife of Harry Cushing, well known Ontario cigar stand operator on B street, was removed to the Green Memorial hospital for treatment.

Tesau, the driver, was cited for failing to yield the right of way to a pedestrian by Traffic Sergeant Harley Smith who investigated the accident.

John W. Everard, 75, 171 South Fern avenue, Upland, received lacerations of the forehead that required three stitches after being knocked to the pavement by a truck while crossing the west parkway of Euclid avenue half way between A and B streets Wednesday morning.

The panel truck which struck Everard was operated by Herbert L. Cassee, 23, Pomona, who told police that he did not see the pedestrian until it was too late to avoid striking him.

TAKES CANDY, LEAVES MONEY

HAMILTON FIELD, AP — A sweet tooth for candy must have impelled someone with an honest nature to break into her store, Mrs. Lottie Vieman told police.

Her little notions shop at the entrance to the Army's Hamilton field was missing two bags of candy and had a broken window when she opened up for the morning's business. .

By the candy case was a five-dollar bill.

STAYED 4 HOURS

Robber Who Broke Into Seitz Garage Confesses In Pasadena

The robbery of the Joe Seitz service station, which took place here May 21, has been solved and more than $370 worth of stolen tools recovered, Upland police announced yesterday.

The culprit, Henry Marquez, Pasadena, has signed a confession to the crime, Sgt. Henry Younge of the local department said. The tools were recovered in Marquez' garage at his home, 184 Pearl street, Pasadena.

Marquez is being held by Pasadena police, charged with some 30 burglaries in Los Angeles county, Mr. Younge said.

Tells Story

In his signed statement, Marquez told of driving to Upland and parking on a street near the service station.

He said he used a bolt cutter to remove a padlock from the door, later prying another lock from the garage door with a crowbar.

He entered the premises at about 9:30 p.m., he related, and remained until 1:30 a.m. He said he worked for several hours in an unsuccessful attempt to open the garage safe.

Although he managed to tip the safe over, and to break the combination knob, the box resisted all efforts to break in.

Saw Officers

He said he saw patrolling police officers pass the station in their automobile once during the night. They did not stop.

After he "got tired" of trying to open the safe, Marquez said he removed his loot of tools and equipment to his car and drove away.

Only one of the items stolen from the station has not been recovered, according to Sgt. Younge. That is an electro motor peaker.

Among the loot found and returned to Mr. Seitz are an arature lathe tachometer, electro coil master, amp-volt and resistance meter, electro trouble shooter, cam angle indicator, valve lifter micrometer a tongue wrench and a ratchet adapter.

Sgt. Younge said it was unlikely Marquez would be returned here for trial, as he faces charges on a multiplicity of crimes in Los Angeles.

Chino Student Contest Winner

Michael Killion, eighth grade student at Chino high school, was this week awarded a five day all expense tour to Yosemite National park as a result of winning a prize for offering the best fire prevention slogan in San Bernardino county.

The slogan contest was sponsored last month by the California Fire Prevention committee for all students in the state public schools between the ages of seven and 14.

"Keep California Free of Fires" was the prize-winning slogan entered in the contest by Killion.

Kenny Calls Meeting For Henry Wallace

Former state attorney-general Robert W. Kenny this week called on all Democratic supporters of Henry A. Wallace to attend a meeting in Fresno Saturday, July 19, for the purpose of organizing machinery to secure election of a "Wallace for President" delegation to the National Democratic Convention.

In a letter sent to leading Democrats throughout the state, Kenny emphasized that the meeting, to be held in the Memorial auditorium from 1:30 to 9:30 p.m., was being called, not to debate whether Wallace's name shall be placed on the ticket but, rather, to obtain a Democratic delegation "committed unequivocably and without compromise to Wallace for President."

Mrs. W. I. Mason, who resides at 435 East 7th Street, failed to receive the jackpot last Monday night because she did not have the necessary sales slips.

$74

EVERY RESIDENT IS ELIGIBLE

Buy Here Saturday!

Every family in Upland, Alta Loma, Cucamonga and Etiwanda is included in the Upland Merchants' Dividend Day. A directory has been especially compiled by The Upland News. This directory includes every house address in these communities—Upland, the outlying district, and the three communities east of Upland.

A page number and line number are selected in a drawing to determine where the "Dividend Day Man" will call with the award. Thus, an address is selected from the directory. If the family receiving the call qualifies by having sales slips, the award is presented. The call is made at 6 p. m. every Monday. The sales slips must be dated Saturday.

The dividend sales do not have to be for cash, a "charged" sales slip being acceptable. In all fairness, however, a sales slip for payment on account cannot be eligible for use on dividend day.

(COPYRIGHTED JOE DOWNEY)

All of jack-pot may be won if person has two or more sales slips from two or more stores with total purchases over $1.00.
$1 if person selected has no sales slip.
$5 if person selected has one sales slip.

$10 if person selected has two or more sales slips showing total purchases under $1.00.
To be eligible to receive all of the jack-pot, your total purchases from two or more stores may be for

MEXICAN GANGS FLYING OPIUM TO STATES, U. S. CUSTOMS CHARGE

WASHINGTON (AP)— John W. Bulkley, assistant deputy customs commissioner, said gangs in Mexico are using airplanes to fly opium to the United States border area so it can be smuggled into this country.

He told a reporter a tough fight against smuggling is in prospect because an apparently record-size opium crop of 32 tons or more has been harvested this year in rugged mountain areas of Mexico about 50 miles south of the U. S. border.

He said Mexican gangs trafficking in the drug had flown it out of the mountains to secret fields on the Mexican side, but there is no evidence they are flying it into this country.

Risks of landing crackups and of having valuable planes seized if caught had deterred airborne smuggling over the border, he said.

PATIENTS

At San Antonio Community hospital:

Mrs. M. E. Hoover, Cypress avenue and Ely street, Ontario, is at home following major surgery.

Mrs. Edgar Reed, 715 East Emporia street, Ontario, has been released following major surgery.

WICHITA FALLS, Tex., AP—A new glider record was set here. Paul B. MacCready, Jr., New Haven, Conn., traveled 208 miles to land 30 miles west of Plainview, Texas.

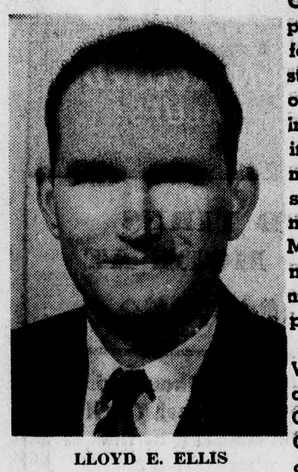

CHURCHES ★★★ RELIGION ★★★ SERMONS

WEEKLY FEATURE BRINGING COMPLETE COVERAGE OF ALL RELIGIOUS NEWS IN UPLAND

Today's Sermon

By LLOYD E. ELLIS
Minister, Upland Church of Christ

1. Self-Righteousness. The Apostle, in expressing his desire for the salvation of Israel, stated that they were zealous, but not according to knowledge, for they were endeavoring to establish their own righteousness and in so doing had not submitted themselves unto the righteousness of God. (Romans 10.1-3).

LLOYD E. ELLIS

One should recall that, as the prophet said, it is not possible for a man to direct his own steps aright. (Jer. 10.23). If each one could direct his own steps in a way that would be pleasing to his Creator, then each man would be a law unto himself, and there would be no need of a revelation from God. Man should realize his weakness and sinfulness and recognize that an all-wise Father has provided for his spiritual needs.

2. God's Righteousness. While absolute righteousness is an attribute of the Omnipotent God, yet we usually think of God's righteousness, not as one of His personal characteristics, but as of something that He does. All of His commandments are righteousness—they are right. The righteousness of God is something to which men should submit themselves (Rom. 10.3).

3. The Righteousness of Faith. In contrast to the idea of self-righteousness, Paul speaks of the "righteousness which is of faith" (Rom. 10.6). Since man is not capable of attaining to that state of character which is approvable unto God through his own righteousness, it is necessary that he follow the directions of his God, and live according to His revelation to man. One must listen, learn, and respond to the overtures of his Creator in order that he may live a righteous life. The needed information is given through the Word, and that which is written is for the purpose of convincing man of the truth relative to the Saviour, that through Him they might have life. (Rom. 10-17; John 20.30, 31). That which avails in God's sight is a faith that works by love, (Gal. 5.6), for it is through obedience to the Gospel of Christ that one has salvation. (II Thess. 1.8; Heb. 5-9).

Nevada Pastor To Preach Here

The Rev. Paul Urschel, pastor of the Church of the Nazarene in Carson City, Nev., has been announced as the guest speaker for the evening service at 7:30 o'clock at the Upland Church of the Nazarene. A vocal solo will be presented by Ruth Burton.

During morning service, 10:50 o'clock, the pastor, the Rev. W. H. Burton, will give the second message in a series on "The New Birth" under the topic of "The Gift of God." Russell Crosby will present a vocal solo.

Tonsure, a religious observance of the Roman Catholic and Orthodox Eastern Churches, consists of shaving or cutting part of the hair as a sign of dedication to special service.

Ellis Wishes To Serve All In Community

"The Immutable Laws of God" is the subject announced for the Sunday morning sermon, 11:15 o'clock, at the Upland Church of Christ, by Lloyd E. Ellis, who assumed his duties as minister on July 1.

The evening sermon, 7:30 o'clock is to be on "The Durable Satisfactions of Life."

Office hours at the minister's study have been tentatively announced as 9 a. m. to 3 p.m. with other hours by appointment.

In taking the ministry, Mr. Ellis stated that it is his desire to serve, not only the members of the church, but others who care to avail themselves of the opportunity to study in the Bible classes which are offered, and who may attend the regular worship at the church. He is also available for individual consultations.

Church Youth Group Changes Meeting Hour

"The Importance of the Individual Christian" is the subject to be discussed by the Rev. Karl K. Heilman, new minister of the Upland Methodist church, during morning worship period at 11 o'clock.

The youth fellowship of the church will meet at 7 p.m. this Sunday, instead of the usual 6:30 p.m. President Jere Young has announced that a social hour will follow the fellowship meeting.

Golden Text

The golden text of the Sunday lesson-sermon on "Sacrament" in the Christian Science church, is from I Corinthians: "Let us keep the feast, not with old leaven, neither with the leaven of malice and wickedness; but with the unleavened bread of sincerity and truth."

Church To Hold Business Meeting

The Rev. James Cook, pastor of the Bethany Union church, San Antonio Heights, has announced "The Church of Thyatira" as the topic for his Sunday morning sermon, 11 o'clock.

A special business meeting of the church will be held on Wednesday immediately following the prayer service.

Dr. Lady To Be In Charge Of Services

Dr. Jesse F. Lady, president of Beulah college, and the college men's quartet which will begin a tour of the midwest July 19, are to be featured during Sunday evening services at the Brethren in Christ church.

Members of the quartet are Amos Buckwalter, Paul Rosentrater, Alvin Book and Alvin Heise. With Dr. Lady, the group will appear on behalf of Beulah college, returning to Upland August 8.

Speaker for the Sunday morning worship at the church, 11 o'clock, will be the Rev. Harold Paulus.

Installation rites and a reception for the new minister, the Rev. Riall Stump who is expected to arrive in Upland on Saturday, will be held later in the week.

Pastor's Brother To Give Sermon

Evangelist Monroe Johnson, brother of the Rev. Lewis Johnson, co-pastor of the Upland Foursquare church, will deliver the sermon during Sunday morning exercises at the church, 10:45 o'clock.

The Rev. Lewis Johnson will address the congregation for evening services at 7:30 o'clock, with a water baptismal service to follow the worship period.

Vestryman Feted at Party

Members of the vestry of St. Mark's Episcopal church held their annual social gathering Wednesday evening and also honored Edward E. Gray, clerk of the vestry.

The group first met at the home of Mr. and Mrs. Henry L. McFee in Claremont, for hors d'ouerves. Following a dinner at Padua Hills, the party attended the Mexican play being given there and some of them remained for the "Jamaica," which followed in the open air.

The annual gathering was in honor of Edward E. Gray, the clerk of the vestry, and while the group was at the McFee home, Howard Shattuck, senior warden, made a brief address commending Mr. Gray for his long and faithful service as a member of the vestry and presented him a gift as a token of appreciation of the other members.

Those present were the Rev. and Mrs. John A. Luther, the Messrs. and Mesdames Howard Shattuck, Henry L. McFee, Philip B. White, Edward E. Gray, Sanford Ballou, Norman Lawson, Henry B. Hickey, Jr., and Prof. and Mrs. Harold Davis of Pomona.

Pastor To View Life As Adventure

"Life—An Adventure" will provide the sermon topic for the pastor, the Rev. Earl Salzman, of the First Mennonite church for Sunday morning services at 10:30 o'clock.

Asks Ratification

ROME, July 11, AP — The constituent assembly's committee on treaties voted 13 to 10 today to recommend to the assembly the immediate ratification of the Italian peace treaty signed at Paris Feb. 10.

Junior Chamber To Meet Second, Fourth Mondays

Meetings of the Ontario junior chamber of commerce will be held on the second and fourth Monday of each month with dinner served prior to the meetings at the Southern House, according to an announcement by David Stump, recently elected president of the organization.

Stump also revealed that the junior chamber is taking an active part in the sale of tickets to he Euclid Parkway dances being sponsored by the chamber of commerce.

Over 50 members were present at this week's meeting at radio station KOCS when by-laws for the organization were accepted.

In preparation for the appointment of various committees, qualified members of the board of directors spoke to those present on the function and operations of committees while engaged in civic activity.

Rogers Studio
DAVID M. STUMP

Those who spoke to the gathering were Charles Newton, finance; Dean Rogers, membership; Ken Thornton, program; Ralph Myers Jr., aviation; Lawrence Graebner, fire prevention; Tom Morgan, governmental affairs; Arnold Anderson, public health and safety; David Johnson, youth programs, and Jack Clark, veterans affairs.

A resolution was adopted by the organization promising full cooperation with the chamber of commerce in the assumption of civic responsibility.

President Stump outlined the procedure to be used in the selection of standing committees which will be chosen at the next regular meeting.

Guests included officials from the Pomona junior chamber of commerce.

Mr. Stump is a resident of San Antonio Heights, living on Park boulevard. He has been active in the Heights fire department and in other civic affairs.

Ford Makes Price Revision On Trucks

DETROIT, July 11, AP—Price revisions ranging from a reduction of $17 to increases of $98 covering all Ford light and heavy duty trucks were announced today by J. R. Davis, Ford Motor Co. vice-president and sales and advertising director.

Davis said the price differential now separating V-8 and six-cylinder truck models had been reduced from $58 to $30.

SEES DRIVERS FROM HEAVEN

OKLAHOMA CITY (AP)— A driver charged with failing to yield the right of way told Acting Police Judge Granville Scanland the other motorist "must have dropped from heaven."

"I never did see him until after the accident and I looked both directions," he testified.

"You should also look up in the air," Judge Scanland observed as he assessed a $6 fine.

14 To Teach At School Here

The Upland Junior high school will have 14 teachers, two more than last year, when doors open for the fall term in September, Principal Ernest R. Camfield announced today.

Eight of the instructors were on the staff last year, while six will be new. Four of these, he explained, will replace faculty members who resigned since the close of school.

Returning teachers include Florence Armstrong, Dayton Dickey, Clyde Frishholz, Lewis Moore, Dorothy McGrew, Marjorie Pleasant, Ed Dean and Sybil Smith.

Replacements for former faculty members have been announced as follows. Ann Baring will replace Kathleen Cowan; Mary Matthieson, Ann Crandall; Francis Mc Shane, Marie Ebel. The position left open by the resignation of James Hutton has not yet been filled, Mr. Camfield said.

Two new instructors, both of whom will teach English and physical education classes, have been engaged. They are Wilson Stone and Robert Dahlberg.

El Centro Pins Loss On Orioles

The cellar dwelling El Centro Imps pinned a second straight defeat on the Orioles Wednesday night at John Galvin park by a score of 3-1 when Dick Smith, former Pasadena junior college twirler, kept nine Ontario hits well scattered.

Ontario's only counter came in the last inning when Ray Alderete singled to left and scored on Swanson's long triple to right field.

Jaderland of the border city club smashed out three hits including a triple and scored two runs to lead the visitors.

Dick Reinhardt, Oriole catcher, who was injured Sunday against Riverside, was placed on the disabled list last night and the Ontario team signed catcher Dick Wilson as a replacement.

This weekend the Orioles leave on a week's trip to Reno and Las Vegas and will not return until July 19 when they open a series here with Anaheim.

The score:

		R	H	T
El Centro	100 200 000	3	8	3
Ontario	000 000 001	1	9	2

Smith and Ashcraft; Jaime and Wilson.

Navy Finds More John Paul Joneses

WASHINGTON (AP)—The Navy counted up its John Paul Joneses and announced it has 13 times as many as in the days when the original was the naval hero of the revolutionary war.

The occasion is the 200th anniversary of his birth on July 6, 1747.

Of the 13 John Paul Joneses now on active duty, three are Californians.

ASK DRIVERS TO WATCH CHILDREN

Margaret O'Brien, young movie star, helps the campaign of the Automobile Club of Southern California, to remind motorists of the increasing number of children on the streets during the summer months. A drive to keep youngsters off the streets by providing supervised playground areas is now underway.

ANALYST GIVES VIEWS

Nearly Two Billion Dollars In Taxes Seen For State Highways

SACRAMENTO, AP—California's newly enacted ten year highway development act provides for the collection and use of approximately $1,852,402,000 in road user taxes in the decade in which the state's road system is to be rehabilitated and expanded.

This is the estimate of Richard M. Zettel, tax analyst of the joint fact finding committee on highways, sreets and bridges, in an analysis of the Collier-Burns Highway act of 1947, requested by the state senate.

Of the total funds available for the building of the superhighway system, approximately $724,000,000 will be "new" money, or revenues derived by additional taxes which the legislature levied at the special legislative session. Biggest individual source of new revenue will be the extra 1½ cent gasoline tax. On each 10 gallons purchased, the motorist will contribute 15 15 cents to the road improvement program.

The new money will provide $70,000,000 in the 1948-49 fiscal year more than would have been raised under the old law, to provide a total of $175,000,000 for road, street and bridge purposes that year.

Additional truck taxes will yield approximately $6,000,000 a year more, the analysis states, for a total contribution of $16,000,000.

CULVER CITY (AP)— Postmaster Paul Jarrett today reported postal receipts of $297,641.79 for the fiscal year 1946-47 were the largest in Culver City history.

DRIVES 260 MILES TO SAVE 50 CENT FINE

PORTLAND, Me., AP—A woman drove 260 miles Sunday to pay a 50 cent overtime parking fine. The woman told Portland police she came from Houlton on receipt of a mailed warning that a warrant would be sought if the fine were not paid by today.

NEWS IN BRIEF

SANTA BARBARA (AP)—Scientists prepared to seek new methods of treating diabetes as plans were announced for establishing a new laboratory here with one room of it to be "absolutely sterile."

WASHINGTON (AP) — President Truman signed legislation creating a 12-member commission to investigate all agencies of the government with a view to promoting "economy, efficiency and improved service."

LOS ANGELES (AP)— Paul F. Cox, 79, who with his brother developed one of the first flat bed web printing presses, died here Saturday.

HOLLYWOOD (AP)— Cinecolor corporation announced that a dividend of 12½ cents per share, the first dividend in the corporation's history, will be paid Sept. 15 to stockholders of Record Aug. 30.

SACRAMENTO (AP) — Fifty two buildings at Hammer army air field near Fresno will be offered for sale this week to veterans for conversion into housing, the state department of finance announced today.

SANTA MONICA (½)— Two powerful red beams will be crossed at 6,000 feet altitude above Hollywood bowl between July 8 and Sept. 15 to warn plane pilots to steer clear during concerts, Joe S. Marriott, regional administrator of the CAA announced today.

Chief Swinney To Washington

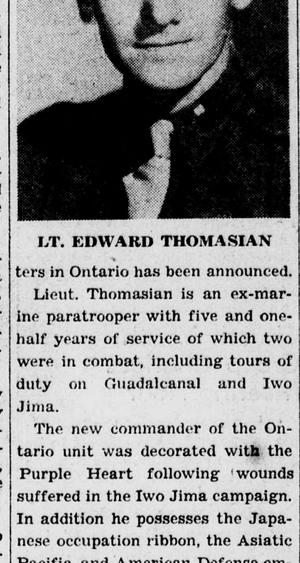

Police Chief Herbert W. Swinney of Ontario will leave this week for an intensive 12 week course in all phases of law enforcement being conducted at the Federal Bureau of Investigation National Academy in Washington, D. C.

The school, which includes police officials from all over the country, has an enrollment of over 80 students. Classes taught include all the latest and best know law enforcement techniques used by the FBI.

Assistant Chief Glover will be in charge of the department in the absence of Chief Swinney.

Thomasian To Command Guard

The appointment of Lieut. Edward Thomasian a scompany commander of Headquarters company 224th Infantry of the California National Guard, with headquarters in Ontario has been announced.

LT. EDWARD THOMASIAN

Lieut. Thomasian is an ex-marine paratrooper with five and one-half years of service of which two were in combat, including tours of duty on Guadalcanal and Iwo Jima.

The new commander of the Ontario unit was decorated with the Purple Heart following wounds suffered in the Iwo Jima campaign. In addition he possesses the Japanese occupation ribbon, the Asiatic Pacific, and American Defense emblems having entered the Marine corps prior to Pearl Harbor.

The local guard unit is currently striving to fill its quota of men and at present has approximately 22 vacancies in all grades.

Further information concerning admission can be obtained from Lt. Thomasian.

British Lost 1,503 Ships During War

LONDON (AP)— Great Britain lost 1,503 naval vessels in the recent war, the Royal Navy reported in a statistical review published by the government stationery office.

Enemy action accounted for the destruction of 958 vessels while accidents were responsible for the loss of 545.
